

INDIVIDUAL ALL-TIME BESTS

Based on information received by March 16, 2010

COACHES: We need your help in making this list more complete. Each of our all-time best lists is a work in progress. Because reporting has never been mandatory the performances listed below are those that have been sent to us by the school or the media, as well as those from our research. You will note that some game dates and opponents are missing. This is not intentional, but simply how schools keep records.

Research is ongoing, but the following represents what we have to date. Schools, coaches, media, community members are encouraged to send varsity game, season and career efforts that meet the "cut-off" marks to Bud Legg, IHSAA, PO Box 10, Boone, IA 50036-0010 or E-mail to blegg@iahhsaa Corrections and missing information can be E-mailed also.
