

2009 Basketball Officials Clinics

IHSAA/IGHSAU state sponsored basketball clinics are required sometime in the first three years of any official registering for the first time in the 2009-2010 registration period. Re-registering officials wanting to be tournament eligible must attend an IHSAA/IGHSAU state sponsored basketball clinic within every three years starting with 2009-2010 registration period.

In cooperation with the Iowa Games we are providing basketball clinics in Ames to provide officials an opportunity to attend a clinic in the summer time and also work on the floor (July 18 & 19 only). Officials will be receiving information from the Iowa Games Committee regarding this clinic. A basketball rules meeting will **NOT** be provided, but clinic credit will be given. Basketball rules meetings will be on-line this fall as well as some chosen basketball rules meeting sites. **Full basketball officiating attire will be required to attend the summer clinic only.**
