President's Message

I want to wish you and your squads the best of luck at district and state. I hope you will take time to look over this information. We at the IATC are looking for your input. In that regard I hope you will take the time to attend one of our regional meetings or our spring executive council meeting. Our meetings are

open to all IATC members. Membership can be checked at our website. If your school is not a member, you can join by contacting our treasurer, Bill Neal. Please feel free to contact me at any time in regard to concerns or suggestions directed at the improvement of track and field or cross country in the

state of Iowa.

Again, I wish you and your squads all the best and I hope to see you at the state meet.
