

IHSAA Track & Field All-Time Best Performances

Corrected and updated thru May 18, 2009

' denotes time converted from yards; times in tenths are hand-held & rounded up; others are fully automatic times. No + or -.24 has been applied to hand held times run with FAT.

An individual's all-time best is listed only once even though he may have had other performances that would fit into the list. A school's best in a relay event is listed by their best in the year that meets the cut-off.

*Coaches who have individual or team performances, past or current, that qualifies should send the performance to Bud Legg at the IHSAA – PO Box 10; Boone, IA 50036 or e-mail: blegg@ihsaa.org
Please note if running events were hand-times or FAT times and the date of the performance. We are indebted to the late Mike Henderson for his assistance in contributing to this list in 2002.*

DISCONTINUED RUNNING EVENTS

Note: Iowa went from yards to meters in 1978. The previous all-time lists include 220, 440, 880, mile and two mile runs performances along with 440, 880, mile, two mile and mile medley relays with conversions of mixed times with their metric equivalents. The 100 yard dash and 100 meters are separate due to concerns of what is a fair conversion between the two.
