DRONE POLICY

The use or possession of unmanned aircraft or aerial systems (UAS), also known as drones, is prohibited for any purpose by any person or entity at any IHSAA post-season tournament events or venues. An exception to this policy may be granted in writing by the IHSAA Executive Director to law enforcement, public safety agencies, IHSAA media partners, or other entities or individuals.

This prohibition applies to the area above and upon all spectator areas, fields of play, courts, arenas, stadiums, mats, gym floor or pool, practice facilities, parking areas, and includes a ban on the entire facility or property being used as part of the IHSAA event.

For purposes of this policy, a UAS is any unmanned airborne device or aircraft. The IHSAA reserves the right to refuse admission to anyone possessing, operating, or attempting to operate a UAS or to request the immediate removal of any person using or attempting to use a UAS in violation of this policy.

Regular Season Events:

The IHSAA does not regulate the use of UAS above or upon the property or facilities of IHSAA member host schools during regular season events.
