2013-14 Tournaments Celebrates Golf's 87th Season

Since 1928 the IHSAA has sponsored a State Golf Tournament thus making the 2013-14 State Meets the 87th in the history of the organization.

The State Meet went to two classes in 1959, and to three in 1977. A fourth class was started 1982. From 1986-1993 schools could also play for a State Fall Championship, but in 1994 Class 4A schools could only compete in the fall. From 1928 until 1975, the State Meet was one day - 18 holes with the exception of the Fall of 1940 and the Spring of 1942 tournaments. Since 1975 the tournament has been a two-day, 36-hole event unless abbreviated by the weather. The number of players on a team has changed slightly starting with 5 and scoring the four lowest to six-man teams with the lowest 5 scores (per day) counting.

Our research continues as we endeavor to improve this book from previous years. **We are still seeking the full names of players especially those of championship teams from 1928-1944.** There were two separate State Tournaments in 1940 and 41 - one in the spring and the other in the fall.

There have been some changes involving Fall Golf. In past years the Fall Tournament had been placed in the calendar year that it was played. Now this book records Fall Golf, which started in 1986, in the school year that it was played. Hopefully this clarifies questions concerning the age, grade of the athletes and brings this book into concert with other IHSAA publications.

On a another note, during this school year we will attempt to find the names of the teams that qualified for the State Meet and the names of the coaches. We have both from 1988 to the present, so we will need some help from the schools. Those willing to provide names please contact Bud Legg at the email address below.

It is always the goal with all of our publications to be as accurate as possible. If you discover an error in accuracy or spelling, please contact Bud Legg (blegg@iahsaa.org). Due to some technical problems on our end corrections made last fall and again in March 2013 were missed and should appear now.

FORMER IOWA PREPS SPARKLE IN PROFESSIONAL TOUR EVENTS

Iowa high school golf programs have produced many outstanding players. Several have gone on to become great amateur players in the state and others enjoyed great professional careers. Four lowans have won at least one USGA tour event. As of July 2012, they are:

* **Zach Johnson, 1994 graduate of Cedar Rapids Regis.** He was the first lowan to ever win the Masters Golf Tournament in Augusta, GA where he won by two strokes over a field that included the legendary Tiger Woods and the top 96 players in the world, April 5-8, 2007. His first PGA tour win came on April 4, 2004 in the Bell South Classic in Duluth, Ga. In 2006, he became the first lowan ever to be named to the prestigious U.S. Ryder Cup team, an accomplishment he has repeated. His play in the 2012 Ryder Cup springboarded him to an outstanding 2013 campaign. He was the number two scorer on Regis' 1992 State 3-A Championship team and the Regals' 1992 State Fall 4-A Runner-up squad.

* **Jack Fleck, 1939 Davenport graduate.** He defeated the immortal Ben Hogan in an 18-hole play-off to win the 1955 U.S. Open at Olympic Country Club in San Francisco. The feat has been called one of the sports greatest upsets. He also finished third in the 1960 U.S. Open. He also finished in a tie for 11th in the 1962 Masters - the highest finish by an lowan prior to Zach Johnson's win in 2007. His U.S. Open victory and Johnson's Masters title are the crown jewel of tournaments won by a native lowan.

Two other lowans who won on the professional tour include: **Jack Rule, 1956 graduate of Waterloo West.** Twice a state meet medalist in 1955 and 1956, after being a runner-up medalist as a freshman in 1953, he was also a member of West's 1954, 1955, and 1956 championship teams. He won on the PGA tour in 1963 capturing the St. Paul Open and in 1965 winning the Oklahoma City Open. **Steve Spray, 1959 Indianola graduate,** who was a State Meet medalist runner-up and won a tour event in 1969 taking the San Francisco Open after being fifth in the 1968 U.S. Open.

Other former Iowa preps who have played well on tour events include **Dave Rummells of West Branch,** who was the medalist at the 1975 and 1976 Class A State Meets and who was 24th on the PGA money list in 1989, a year which saw him finish fifth in the PGA Championship after being sixth in 1988- two of his 21 top- ten finishes on the tour.

After playing on the PGA Tour early in his career **Lon Nielsen, Belle Plaine,** has several titles and top 10 finishes and is a top money winner on the Seniors' Champion Tour since 2004. **Jerry Smith of Oskaloosa,** 1979 runner-up and 1982 medalist, also played well in tour events.
