85th Year for IHSAA State Cross Country

Notice to Coaches, Media & the Public: This fall the IHSAA celebrates its 85th year of hosting State Cross Country Championships. Not counted in the previous 84 years are the meets from 1922 through 1929 that were “state open” invitationals administered by and held at the University of Iowa.

Today, the IHSAA State Championship is one of the nation’s longest continuous running championships and this book, in part, pays tribute to the athletes, coaches and schools who have figured so prominently in that history.

We have attempted to improve the format of this book each year, but we continue to work on correct spellings of names. If you, the reader, finds an error or knows of an omission in this book, please contact Bud Legg (blegg@iahxaa.org).

IHSAA MISSION & PURPOSE

MISSION

“The Iowa High School Athletic Association serves its member schools and students by providing leadership and support for education based interscholastic athletics that enrich the educational experience of the student athlete.”

PURPOSE

“To promote, develop, direct, protect, and regulate amateur interscholastic athletic relationships between member schools and to stimulate fair play, friendly rivalry, and good sportsmanship among contestants, schools, and communities throughout the state.”

STATE CROSS COUNTRY MEET HAS A RICH HISTORY

Time Line

- 1922 University of Iowa hosts high school invitational meet inviting teams from surrounding states
- 1930 IHSAA conducts its own State Meet – it was an invitational meet; schools charged 25 cents per runner. Teams could enter up to 4 athletes but only their top 3 were scored, Race distance was 1.9 miles.
- 1936 With growth and interest starting, the meet is divided into two classes based on enrollment
- 1937 State Meet conducted in three classes; teams could enter 3, 4, or 5 runners and counting their top 3 counting team scoring
- 1946 Teams could enter 4 or 5 runners with their top 3 counting in team scoring
- 1947 Excessive rain caused fewer teams and changed State Meet to individuals only – no team champions
- 1948 Four class meet begins
- 1951 Race distance is 1.8 miles
- 1957 Five class meet begins
- 1964 With increasing interest, the meet moves to six classes
- 1967 Race distance is increased to 2.0 miles
- 1969 Meet grows to a record seven classes
- 1970 Teams can run up to 5 runners with their top 4 counting toward the team's total
- 1976 District qualifying meets for the State begin – for teams and individuals; four classes contested
- 1979 Inaugural Joint State Meet held with the Iowa Girls High School Athletic Union; held at Veenker Golf Course at Iowa State University.
- 1981 District and State Meets return to 3 classes for boys and girls; State Meet attracts over 6,000 fans
- 1987 Race distance moves to 5,000 meters
- 1988 Teams allowed to enter 5, 6 or 7 athletes with their top 5 finishers being scored for team honors
- 1993 Joint State Meet moved to Lakeside Golf Course in Kennedy Park north of Fort Dodge
- 2003 Four class District and State Meet created
- 2004 Displaced team scoring started for District and State Meets
- 2011 First in the nation Wheelchair competition added
- 2014 85th year for IHSAA Cross Country State Meet; 49th for the IGHSAU – both among the “oldest” in the US

Cross Country has enjoyed a prominent place in the history of the IHSAA. From a meager growth of 25-30 schools participating in invitational state meets run by the University of Iowa from 1922-29. In the decades that followed steady interest and growth occurred.

From the beginning years through 1975 schools could enter the State Meet by simply registering a team or an athlete by paying a fee (usually a quarter, maximum of \$1.50 per team). In 1966 the fee was dropped and schools only had to register in advance. In 1976, the IHSAA created a District Meet (now called State Qualifying Meet) format for schools to qualify teams and individuals to the State Championships.

It is a sport that has multiple measures of success – the stopwatch; weekly, season and personal improvement; and competition to name a few. The measures are valid for individuals and teams. It takes hard work and discipline to climb the ladder of success and because all on the team for the most part go through the same regime, it is a bonding sport that brings out the best in competitors. They won't all be champions or maybe varsity runners but they will personify a human characteristic that sometimes is lacking in society and that is contributing to a common cause.

SIGNIFICANT CHANGES

From stop watches and judges picking place performances to television monitoring (1979) for place disputes and computer chip timing and scoring in 2004, the State Meet now functions with few delays. Individual results and team scoring are posted to the IHSAA and IGHSAU websites minutes after the race is declared official.

Displaced scoring for teams was started with the 2004 season replacing the traditional order of finish points of all runners.

The length of the individual race has varied over the years. The University of Iowa meets, 1922-29 and the first five IHSAA Championships, 1930-1934, were each 2 miles in length. From 1935 through 1950, the distance was 1.9 miles and from 1951 through 1966 the distance was 1.8 miles. In 1967, the two-mile course was set and it stayed at that length through 1986. Starting with the 1987 season and continuing to present day, the distance of the race has been 5,000 meters. Similarly, the girls had changes, with early meets, 1965 being 1.25 miles, increasing to 1.8 in 1967 and 2 miles in 1970. In 2002 to the current time the distance was extended to 4,000 meters.

STATE MEET VENUES

A number of golf courses around the state as well as specialized cross country courses are used by the state's teams. Since facilities vary in terms of layout, the IHSAA does not keep a state record list of times, but does keep a list of the top times run in state competitions.

A good number of member schools have volunteered to host the meet. In the 83 year history of the State Meet, 22 member schools have hosted the event. Some of the challenging courses that included a number of hills were Waveland Golf Course in Des Moines; Marshalltown Legion Golf Course; and the “south” course at Veenker Golf Course in Ames.

THE NUMBERS

Nearly 500 boys including 15 teams in each of four classes (and a similar numbers for girls) now strive to become "The Legends of the Fall." Athletes from nearly 73 percent of the state's schools qualify for the Coed State Meet, complete with medal ceremonies. It has attracted over 6,000 fans since the early 1980s. It is generally considered the largest of its kind in America in terms of the number of competitors and fans.

Two-hundred and fifty-four athletes from 142 schools have won individual titles in the first 83 years of the meet (1930-2012). Fifty-two of those athletes have been multiple state champions in cross country and 82 have gone on to win state track titles in high school. One hundred and twenty-three schools have won at least one team title with 71 taking home the championship hardware at least twice.

Over the past five years in Iowa nearly 5,200 boys and 4,500 girls annually compete in cross country.

Notable Boys' Teams, Individuals, Coaches

Because of the distances involved the sport generates a special breed of athlete. It is lonely work sometimes and the rewards are, for the most part, internal. Only one runner in the history of the sport – Mark Johnson of Mason City has won four State Titles (1969-72).

Eight other athletes won the State Meet three times and 42 won twice. To repeat is an honor worth savoring. The three time State Champions follow and are listed chronologically.

Three: 1938-40 Ray (Berl) Edmundson, Thornburg; 1950-52 Garold Ryan, Underwood; 1954-56 Homer Lattimer, LeClaire; 1955-57 Deryl King, West Des Moines; 1957-59 John Raveling, Saydel; 1965-67 Doug Smith, Sioux City Central; 1967-69 Rick Rourke, Villisca; and 2005-07 Isaac Wendland, Charles City.

Fifteen schools led by Decorah's 15 championships have captured five or more team titles. Marion follows with 10, while Iowa City, City High has nine. Two schools with eight championships are now closed – Iowa City University High and Sioux City Central. Regina, Iowa City has won eight titles, all since 1993.

A total of 161 coaches have directed teams to State Championships with six of the top seven leaders being deceased or retired. The late Coach Les Hipple of Marion won nine while Waukon's Harlan Heidelberg and Decorah's George Kjome each coached seven. Cascade's Robert Davidshofer has six and is only active coach among the top seven.

Since 1980, the IHSAA has printed the State Meet Stat Book for Cross Country. It is available each year on line by going to the IHSAA web site (www.iahsaa.org) and clicking on cross country and scrolling to the current Stat Book. It is posted usually by August 20 each fall.

Champions Running for Champions

Since 1930 a total of 296 teams that have won State Championships (counting ties). 110 times the individual champion has run on the championship squad, with the last 12 being 2013 - Boone's Chadler Austin; Monticello's Michael Melchert; 2012 - Josh Sindelar, St. Albert, Council Bluffs; Jason Thomas, Dowling Catholic; 2011 - Zach Buchheit (Pella); 2009 - Marshall Moyer (Burlington), Bill Spencer (Iowa Mennonite School, Kalona), 2007 - Devin Allbaugh (Pleasant Valley), Nate Dotterweich (Monticello), 2004 - Ryan Dolan (Wahlert, Dubuque); 2003 - Jon Thomas, (Des Moines, Roosevelt); and 1996 - Tait Steines, (Calamus-Wheatland). **Thirty-seven times the team champion has featured the top two individual finishers.** However, only six times since scoring four or more runners (1970) has this occurred -- Indianola in 1972 with Mark Bishop and Mike Burns; Tipton in 1975 with Brett Eggert and John Pelser; Kee, Lansing in 1981 with Brian Hawes and Shawn Connor; Dubuque, Senior in 1995 with Rob Brock and Trent Corey; Des Moines, Roosevelt in 2003 Jon Thomas and Kiel Uhl; and Boone's Chadler Austin and Albert Meier (2012 and 2013). The double by Austin and Chandler in back-to-back years marks the first time since scoring four or more runners.
