Please read your 2016 Fall Sports Manual and Postseason Golf Manual for regulations pertaining to district and state golf. The information may be found on our website ([www.iahxaa.org](http://www.iahxaa.org)) under "Golf".

**KIND OF PLAY:** Tournament play will be eighteen (18) holes of stroke play. For all regular season and post season tournament play, the USGA playing rules will be followed unless modified by the local course management. All golf matches shall be played in accordance with the 2016 USGA Rules of Golf--The ball shall be played as it lies, except as otherwise provided in the rules. The USGA does allow for areas of the golf course to be marked and defined as Ground Under Repair (rule 25-1). If it is determined that areas of the golf course are unsuitable for play, the committee shall define these areas as Ground Under Repair. The Ground Under Repair shall be marked and defined accordingly so no questions will arise as to the boundaries of said areas. Poor turf conditions do not necessarily equate to Ground Under Repair. Ground Under Repair is defined as abnormal ground conditions. If an area is abnormal in relation to the entire golf course, then it should be defined as Ground Under Repair.

**Tournament hosts should use a shot-gun start.**

**ENTRIES:** A school may play no more than six players in the district meet. The four best scores on that day will count to determine the total score for the school. A school entering less than four players may compete for individual honors only.
