

To the Media;

This past summer you were informed of registration and logistical changes for the venues that host the IHSAA State Tournaments. Thank you for your cooperation.

As we move into our largest venue for Wrestling and Basketball, we would like to continue the process. To refresh everyone's memory, changes in wrestling are being made to relieve the congestion on the floor which in turn will improve accessibility for coaches, athletes and cheerleaders, provide for better movement between matches within the Arena itself, improve visibility of the matches and the mats and will add to the overall safety of the competitors.

The IHSSN and the IHSAA together will provide credentials for the Print Media. Credentials will be mailed directly to the newspapers. The daily newspapers will receive two (2) credentials and a weekly newspaper will receive one (1) credential. This year's credential will be valid until June 30, 2017. New credentials will then be mailed out for the full year beginning July 1, 2017 and ending June 30, 2018.

Please pay special attention to the radio seating areas, shooting zones, interview areas, the statistic center and the press room area. They have all changed. The most notable is the media tables for wrestling will be removed and relocated to a newly created media center.

Diagrams with instructions addressing these areas will be placed on the IHSSN and IHSAA websites. The following link will access these diagrams. www.ihssn.com/resources.html www.iahsaa.org. They will be posted no later than January 15, 2017.

PLEASE REMEMBER THE FOLLOWING:

Please take the time to read the Rules and Regulations posted on the IHSSN and IHSAA websites. It is important for all of us. www.ihssn.com/resources.html or www.iahsaa.org.

Credentials and rights fee payments for internet radio, internet audio, internet video and internet audio/video must contact the IHSSN at ken@ihssn.com

You will not be admitted without credentials.

For questions: Contact Bud Legg at www.iahsaa.org or Ken Krogman at www.ihssn.com
Thank you in advance for your attention to these very important changes.
