We Appreciate Your Assistance

The State Singles and Doubles Tennis Tournament celebrates its 89th year of competition in 2017. The tournament has been contested in two classes since 1977. A separate structured Team Tennis format began in 1983. The sport has a glorious history which we continue to research. This edition contains some name clarifications in singles and doubles from the era of 1954-1957.

Accordingly, with the assistance of coaches and media in the state, we have expanded the information this book contains. While there is still more to do, we believe the athletes and the sport merit continued research and documentation of information.

*It is the goal of all of our publications to be accurate and complete. **If you discover an error, can correct a spelling, or contribute a name we would appreciate you notifying us** at blegg@jahsaa.org. We are still missing some names of doubles teams that were runner-up. Anyone who knows of information that is “missing” please send it to Bud Legg at above Email address or to him at IHSAA; PO Box 10; Boone, IA 50036-0010.*
