Information for submitting qualifying meet entries will be mailed to member schools the week of Monday, April 23, 2018. **The deadline for Qualifying Meet entries and declarations will be 10:00 a.m. Wednesday, May 9, 2018. All scratches or substitutions must be sent by email to the Qualifying Meet host no later than 10:00 a.m. on the day of the meet, Thursday, May 10, 2018. No substitutions will be allowed after that time. Scratches after that time will count as an event. Emergency**

situations will be considered and can only be approved by the IGHSAU or IHSAA. All times and efforts will be performances in established meets and should be recorded in metric times or converted metric times for the running events and standard measurements for the field events. All entries shall be submitted as FAT times. All state qualifying meet seed times need to be verified through QuikStats. Any time discrepancies (faster or slower than what is posted on QuikStats) will result in “No Time” seed time. No split times are allowed for individual event seed times.

2. Upon receipt of the entries, all entries will be ranked from first to last in each event according to performances. Heats and sections as well as lane assignments will be drawn from this information. The IGHSAU and IHSAA will oversee the ranking of the entries and placement of athletes into heat sections, lanes and flights. **Meet managers shall reseed an event prior to the start of the meet if scratches or substitutions are made in a particular event. Any substitute entry will receive a “No Time” seed time.**

 - b.)In events run in sections against time, the last section will contain the best performers, the prior sections the next best contestants, etc.

 - d.)The highest ranked contestant will be placed in the lane in the center of the track. Lanes will be filled by alternating either side of the number-one ranked athlete. This will be (4-5-3-6-2-7-1-8) according to the number of individuals or teams in the heat.

Relay personnel may be changed after the meet has begun. Substitutes must come from the six names on the original relay entry.

Each school will be given copies of the heat and lane assignments.

TRACK MARKINGS AND LANE STAGGERS

WATERFALL OR DOUBLE-WATERFALL MAY BE USED AT THE STATE QUALIFYING MEET IN THE 1500 METER/3000 METER RUNS—DETERMINED BY MEET MANAGER.

All events that run around the track are to be run with the appropriate staggers.

The 800 Meter Run and 4×800 Meter Relay may use a one-curve stagger or waterfall start.

400 Meter Dash—Must be run in lanes all the way.

4×100 Meter Relay—All four runners in assigned lanes.

400 Meter Hurdles—Must be run in lanes all the way.

INTERNATIONAL EXCHANGE ZONE

An International Zone may be used in relay races where the incoming runner is running legs of 200 meters or less. Competitors electing to use this option must be positioned entirely within the limits of the international exchange zones. The outgoing runners for each team may take their positions on the track and commence running not more than 10 meters outside the exchange zone, but the baton must be passed while it is in the 20 meters exchange zone. A distinctive mark shall be made on the track to denote this extended running limit.

DISQUALIFICATION OF RELAY TEAMS AND INDIVIDUALS FOR COMPETING IN TOO MANY EVENTS

An athlete may compete in a total of four events. If an athlete competes in excess, all individual points, team points, and places earned by that competitor in the meet shall be forfeited and the competitor disqualified from further competition in that meet. If the competitor participated in a relay event, the relay(s) points and places earned by the team shall be forfeited. A scratch after the 10:00 AM deadline on Thursday, May 10 counts as an event.

NOTIFICATION OF DISQUALIFICATION

All disqualifications need to be communicated by the meet referee to the head coach. If a disqualification occurs, the head coach needs to be called to a designated area, as determined by

the meet manager, to be notified of the disqualification by either the meet referee or his/her designee.

DISTRIBUTION OF MEET RESULTS

Meet managers need to distribute a copy of results to all head coaches prior the participating schools leaving the meet site. All head coaches are expected to review the results for accuracy and to bring any errors to the attention of the meet manager. Having errors corrected the night of the meet makes determining the state qualifiers much easier and prevents placing the wrong individual or relay in the state track and field meet.
