IHSAA Game Day Requirements:

1. The IHSAA Pitch Count Chart of previous games for both teams are to be presented to the opposing coach **BEFORE** the game for review.
2. During the game, pitch counts will be recorded by each team. Any discrepancy in the pitch count of either pitcher will be resolved at the conclusion of that inning. Both teams' designated recorder will compare the count of the current pitchers for both teams at the conclusion of every half-inning. This will be done at a location as determined by the host school prior to the contest.
    - Every effort should be made to match the counts.
    - If the two counts do not match, the count indicated by the home recorder will be considered official.
    - The umpires will not rule on pitch count discrepancies that may arise in a contest.
3. At the game's conclusion, the IHSAA Pitch Count Chart will be signed by both schools' designated recorder.
4. Both teams must report their **varsity** team's pitch count for each of their individual pitchers via QuikStats within 24 hours of the conclusion of the contest.
5. Both schools will then have the responsibility to maintain every IHSAA Pitch Count Chart and up to date pitch count information in the IHSAA Collection Program until their school season is complete. Any discrepancy found after a game will be reported to the IHSAA and treated as an issue to resolve. A hard copy of all IHSAA Pitch Count Charts must be available upon IHSAA request.

IHSAA Pitch Count Chart

Date of Game:	First & Last Name of Pitcher:	Grade	School	Total # of Pitches:	Signature of Opposing Designated Individual	Signature of Home Designated Individual

(Print) School Name: _____

(Print) Head Coach Name: _____ **Head Coach Signature:** _____
