## 2018-19 Tournaments Celebrate the 92nd Season for Prep Golf

Since 1928 the IHSAA has sponsored a State Golf Tournament thus making the 2018-19 State Meets the 92nd in the history of the organization.

The State Meet was one class until 1959, when it was split into two classes. A three-class tournament began in 1977. A fourth class was added in 1982. From 1986-1993 schools could also play for a State Fall Championship, but in 1994 Class 4A schools could only compete in the fall. From 1928 until 1975, the State Meet was contested in one day - 18 holes with the exception of the fall of 1940 and the spring of 1942 tournaments. Since 1975 the tournament has been a two-day, 36-hole event unless weather forces it to be shortened. The number of players on a team has changed only slightly starting with 5 and scoring the four lowest to six-man teams with the lowest 5 scores (per day) counting.

IHSAA research continues as we endeavor to improve the information in this book, which was first created in 1980. **We are still seeking the full names of players especially those of championship teams from 1928-1944.** There were two separate State Tournaments in 1940 and 41 - one each in the spring and the fall.

**There have been some changes in the book regarding the results of the State Fall Golf Tournament. Until 2013 the Fall Tournament had been placed in the calendar year that it was played. Now this book records the Fall Tournament in the school year that it was played.** Hopefully this clarifies questions concerning the age, grade of the athletes and brings this book into concert with other IHSAA publications.

**On another note, we will continue our search to find the names of the teams that participated in the State Meet for each year and the names of the coaches. We have both from 1988 to the present, so we will need some help from schools who played in tournaments from 1928-1987.** Those schools willing to provide the years and names of coaches please contact us using the information below.

If you discover an error in accuracy or spelling, please contact Chris Cuellar, Communications Director ([ccuellar@iahsaa.org](mailto:ccuellar@iahsaa.org)). Finally, kudos to our digital print/production specialist Tim Latta for his skill and help in re-formatting our Stat Books.

## FORMER IOWA PREPS SPARKLE IN PROFESSIONAL TOUR EVENTS

Iowa high school golf programs have produced many outstanding players. Several have gone on to become great amateur players in the state and others enjoyed great professional careers. Four Iowans have won at least one USGA tour event. As of July 2015, they are:

**\*Zach Johnson, 1994 graduate of Cedar Rapids Regis.** He was the first Iowan to ever win the Masters Golf Tournament in Augusta, GA and the British Open. His Master's win was by two strokes over a field that included Tiger Woods and the top 96 players in the world, April 5-8, 2007. He followed that with another major title in 2015 winning the British Open at historic course of St. Andrew's in Scotland, July 19-22. He rallied against a field of the best in the world to win in a three-way playoff. His first PGA tour win came on April 4, 2004 in the Bell South Classic in Duluth, Ga. In 2006, he became the first Iowan ever to be named to the prestigious U.S. Ryder Cup team, an accomplishment he has repeated. His play in the 2012 Ryder Cup spring boarded him to an outstanding 2013 campaign. In high school he played as number two on Regis' 1992 State 3-A Championship team and the Regals' 1992 State Fall 4-A Runner-up squad and went on to star at Drake University before becoming a professional.

**\*Jack Fleck, 1939 Davenport graduate.** He defeated the immortal Ben Hogan in an 18-hole play-off to win the 1955 U.S. Open at Olympic Country Club in San Francisco. The feat has been called one of the sport's greatest upsets. He also finished third in the 1960 U.S. Open. He also finished in a tie for 11th in the 1962 Masters - the highest finish by an Iowan prior to Johnson's win in 2007.

Two other Iowans who won on the professional tour include: **Jack Rule, 1956 graduate of Waterloo West**, who was twice a state meet medalist in 1955 and 1956, after being a runner-up medalist as a freshman in 1953, was a member of West's 1954, 1955, and 1956 championship teams. He won on the PGA tour in 1963 capturing the St. Paul Open and in 1965 winning the Oklahoma City Open. **Steve Spray, 1959 Indianola graduate**, who was a State Meet medalist runner-up won a professional tour event in 1969 taking the San Francisco Open after being fifth in the 1968 U.S. Open.

Other former Iowa preps who have played well on tour events include **Dave Rummells of West Branch**, who was the medalist at the 1975 and 1976 Class A State Meets and who was 24th on the PGA money list in 1989, a year which saw him finish fifth in the PGA Championship after being sixth in 1988, two of his 21 top- ten finishes on the tour.

After playing on the PGA Tour early in his career **Lon Nielsen, Belle Plaine**, has several titles and top 10 finishes and was a top money winner on the Seniors' Champion Tour from 2004-2013. **Jerry Smith of Oskaloosa**, 1979 runner-up and 1982 medalist, also played well in tour events and The Champions Tour.
