

IHSAA BASKETBALL HALL-OF-FAME PLAYERS, 1969 – 2018

Listed by high school; graduation year follows name & induction year in parenthesis

Updated: January 7, 2019

Note: Hall of Fame Players and Coaches are selected by a committee that makes recommendations to the Board of Control. This committee makes their selections from nominations submitted to the IHSAA by a member school. Candidates who are chosen usually are present for the induction ceremonies. As a result, there are "selected and approved" honorees who currently have professional conflicts and who will be honored when they can attend.
