

STATE INDOOR EVENT TRACK CHAMPIONS, 1931-1972

NOTES: (1) Iowa University hosted the Indoor Meet. Prior to 1931, the meet was open to high schools from neighboring states. In 1930 the Board of Control of the IHSAA negotiated with the University that starting in 1931 the meet would be limited to Iowa high schools and be known as the State Indoor, with the IHSAA assuming the costs of meet management and awards. (2) Class Records – AA event records include those from large school performers, 1931-1952. The Meet was single class from 1931-39; two classes (A & B) from 1940-52) and four classes starting in 1953. The Class Records for AA events include those from large school performances from 1931-52. Record times set in preliminary or semifinal sections may or may not have been established by the eventual event champion. Times listed are those in the finals. Some records in each class were set by event champion or by another athlete in a preliminary heat or semifinals. (3) Measurements are by guidelines for the years contested. (4) The IHSAA is indebted to Jim Young (former Waterloo, West state champion in the discus and shot put and Iowa track and field historian) and his wife Ginger for their help in completing this champions list. As a result, we are proud to honor those who have been missing for over four decades. *Research continues to try to find first and/or complete names of athletes. Those who may know the missing names, please contact Bud Legg at blegg@ihsaa.org with corrections/additions. Microfilm results have been difficult to decipher.*

FIELD EVENTS

SHOT PUT

31 Bob Earl, Des Moines, North	47-08.25	C -Jake Litwiller, Wellman	44-08
