

SINGLE SEASON BESTS

The following has been compiled by the IHSAA with help from coaches and the media.

Information Updated April 1, 2019 – 9:15 a.m.

Additions are posted at the end of the season when the school verifies the performance on Quik-Stats or by e-mail

We realize that there are some current and past season performances that are not listed or updated. That is because we have not received information from the school, or coach. Thus, this list continues to be a work in progress. Any addition or correction to a performance category is welcomed and can be submitted anytime, but it is preferred at the time of the accomplishment. Please email blegg@ihsaa.org with additions or correction.

IMPORTANT NOTICE TO COACHES

Please review the categories and the qualifying marks below and send any additions to Bud Legg – blegg@ihsaa.org. We could get several of the game bests up through the end of the regular season if they had been entered.
