

## INDIVIDUAL SCORING ALL-TIME BESTS

*Based on information received and updated/corrected May 15, 2019 (3:45 p.m.)*

**COACHES:** We need your help in updating and making this list more complete. Each of our all-time best lists is a work in progress. Because reporting has not mandatory, prior to 2011 there may be some game, season and career performances in all our lists that have been sent to us by the schools or the media, as well as those from our research. You will note that some game dates and opponents are missing. This is not intentional, but simply how schools keep records.

Games bests are recorded when reported. Season and career bests are entered at the of the season.

Research is ongoing, but the following represents what we currently have. Schools, coaches, media, community members are encouraged to send varsity game, season and career efforts that meet the "cut-off" marks to Bud Legg, IHSAA, PO Box 10, Boone, IA 50036-0010 or E-mail to blegg@iahsaa\_ Corrections and missing information can be E-mailed also. Some scores and totals that follow have been corrected through school and IHSAA research.
