

REBOUNDS, BLOCKED SHOTS & STEALS

COACHES: *We need your help in updating and making this list more complete. Each of our all-time best lists is a work in progress. Because reporting was not mandatory, prior to 2011 there may be some game, season and career performances in all our lists that have been sent to us by the schools or the media, as well as those from our research. You will note that some game dates and opponents are missing. This is not intentional, but simply how schools keep records.*

Research is ongoing, but the following represents what we have updated. Schools, coaches, media, community members are encouraged to send varsity game, season and career efforts that meet the "cut-off" marks to Bud Legg, IHSAA, PO Box 10, Boone, IA 50036-0010 or E-mail to blegg@iahhsaa Corrections and missing information can also be E-mailed.
