

IHSAA OFFICIALS HALL OF FAME – ALL SPORTS

1977 through 2019

In 1977, the Board of Control of the IHSAA created the Officials Hall of Fame to honor contest officials whose dedication and service to our member schools, coaches, and athletes. They reflect literally thousands of individuals who gave hours of their time because they enjoy athletics and working with young people. The list covers all IHSAA sports and several of the individuals below were multiple sport officials. Their place of residence is the most common used.
