### ***Special Thanks***

*The 2020 competition season is the 26th for our State Spring Soccer Season and the 30th year that soccer has been sanctioned by the IHSAA. This book chronicles that history.*

*We endeavor to make the information contained in this edition accurate, but errors will happen. If schools or coaches discover an error or typo, please contact us with the correction.*

*The IHSAA is also creating all-time best lists in soccer, like those in our other sports. A preliminary start on that project begins on page 39 of this publication. Our soccer coaches/schools are invited to contribute to the list and authenticate the best of the best in player, team and coach categories.*

*A special thanks to Tim Latta, our digital print/production specialist for his efforts in the production of the Stat Books for each of our sports.*

## **IHSAA MISSION & PURPOSE**

### **MISSION**

*“The Iowa High School Athletic Association serves its member schools and students by providing leadership and support for education based interscholastic athletics that enrich the educational experience of the student athlete.”*

### **PURPOSE**

*“To promote, develop, direct, protect, and regulate amateur interscholastic athletic relationships between member schools and to stimulate fair play, friendly rivalry, and good sportsmanship among contestants, schools, and communities throughout the state.”*

## IHSAA SOCCER TIMELINE

The growth of soccer in terms of participating schools, athletes, and fan interest has been steady. In the early 1990s, the IHSAA studied the playing season. Some schools were playing in the fall, others in the spring, others yet in the summer.

Under the leadership of Assistant Executive Director David Anderson, seasons and tournament structure were formalized in 1993.

1991	IHSAA Board of Control votes to sanction soccer; Associate Executive Director David Anderson to administer the sport
1994	First Fall Tournament held with Marquette Catholic, West Point defeating Pella Christian, 3-1 at the Muscatine Soccer Complex. 18 schools competed in the tournament series. State Tournament had 4 qualifiers and was played in a single day.
1995	First Spring State Championship held at Muscatine Soccer Complex. Bettendorf edged Valley, WDM, 1-0; 48 schools played spring soccer. 8 qualifiers in the tournament which was played in two days.
1998	Spring Soccer split into two classes with 8 qualifiers each.
2000	Last year for the Fall State Tournament.
2001	All soccer schools play in the Spring Tournament Series
2005	Spring State Tournament moved to Cownie Soccer Park in Des Moines, and goes to a three-day event.
2009	IHSAA inaugurates three classes for Soccer with the top 48 enrollment schools participating in Class 3A; the next 48 in class 2A and the remainder in Class 1A.
2009	Heavy rains and some level flooding forces the Tournament to member school sites – Southeast Polk, Valley, West Des Moines and Urbandale hosted the quarterfinal. Semifinal rounds and Championships were played at Urbandale. Paid attendance goes over the 8,000 mark (8,009) for the first time.
2014	Attendance exceeds the 8,000-paid mark for the fourth time with a record attendance of 8,627
2018	Schools participating in the tournament series reaches an all-time high of 153
2019	Schools participating in the tournament series increases to 160.
