

REGIONAL AND STATE DUAL TEAM WRESTLING MANUAL, 2020

Eight teams will qualify for the state dual team tournament in each of the three classes, 1-A, 2-A, and 3-A. The sixteen Class 1-A and 2-A sectional team champions and sixteen runners-up qualify for eight regional dual team meets held on the Tuesday before district competition at eight pre-determined sites. Regional dual team sites are determined using the mid-January IWCOA dual team rankings, with 8 of the top 16 ranked schools in each class hosting, if possible and practical within geographic areas. The champion and runner-up from the same sectional may, or may not, be assigned to the same regional dual. The regional semifinal pairings will place the highest ranked team at a regional dual team site against the lowest ranked team and the second highest ranked team against the second lowest ranked team, according to the mid-January IWCOA Dual Team Rankings. If there is a tie in the rankings the higher seed goes to the team with the best win-loss percentage. Each class 1A/2A regional meet is a double dual. The teams winning in the first round of the regional double dual will compete in the finals, with the winning team qualifying for the state dual team tournament at Wells Fargo Arena in Des Moines. The regional dual pairings will be posted Saturday night after the conclusion of the sectional meets.

The top twenty-four ranked class 3-A schools, according to the mid-January IWCOA rankings, will compete in eight regional dual team meets held on the Wednesday before district competition with the highest ranked teams hosting, if possible. The top ranked team at each site will receive a bye during the first round. If there is a tie in the rankings the higher seed goes to the team with the best win-loss percentage. The winner of the first-round dual will wrestle the top ranked team in the finals, with the winning team qualifying for the state dual team tournament at Wells Fargo Arena in Des Moines.

COMPETITORS FOR THE DUAL TEAM TOURNAMENT SERIES **(REGIONAL AND STATE)**

While it is not always possible for teams to fill every weight class during the state dual team wrestling tournament series, it is expected teams will not forfeit an excessive number of weight classes, or wrestle JV wrestlers, when they have varsity wrestlers capable of wrestling at those weight classes. The regular varsity wrestlers, including district tournament qualifiers for classes 1A & 2A, and district entries for class 3A, are expected to weigh-in and wrestle during the tournament series except in the case of injury, illness, or ineligibility declarations. It is understood, there may be times when varsity wrestlers have weighed in for a particular weight class only to have the coach decide to forfeit certain matches due to injury, illness, or make strategic shifts in their line-up during the meet.

SPORTSMANSHIP

Good sportsmanship is an expectation in the dual team tournament series. Athletic Directors and Head Coaches should be sure to visit with their assistant coaches and wrestlers about sportsmanship at the tournament.

**ANY WRESTLER OR COACH EJECTED FROM THE REGIONAL DUAL TEAM
TOURNAMENT SHALL NOT PARTICIPATE IN DISTRICT COMPETITION AND**

ANYONE EJECTED FROM THE STATE DUAL TEAM TOURNAMENT SHALL NOT PARTICIPATE IN THE STATE INDIVIDUAL TOURNAMENT.
