

STATE INDIVIDUAL WRESTLING TOURNAMENT MANUAL, 2020

SCHOOL WRESTLING PACKETS

PACKETS FOR THE INDIVIDUAL STATE TOURNAMENT WILL BE AVAILABLE BEGINNING AT 4:00PM, ON WEDNESDAY, JANUARY 19, 2020. All team personnel wearing security identification wristbands for the individual wrestling tournament will be allowed free admission to the evening (4:30) session of the state dual team tournament.

At the Hy-Vee Hall wrestler/team personnel entrance, coaches will sign for their packet of materials that will include security identification wristbands for all team personnel. The following procedure is used to determine the number of security identification wristbands a school will receive in their packet:

- ALL SCHOOLS with qualifiers receive three complimentary security identification wristbands for their coaches.
- Each qualifying wrestler will receive one complimentary security identification wristband.
- Schools qualifying three, or more, wrestlers will receive one complimentary security identification wristband for a team manager.
- Schools ordering additional coaches' security identification wristbands, and/or **ONE** security identification wristband for the sports medicine professional traveling with their team will also find these bands in their packet.
- Additional coaches' wristbands must be purchased by **Feb. 10** – coaches' wristbands will NOT be sold at Wells Fargo Arena! (We will reimburse if the purchase is not needed)

ALL TEAM PERSONNEL will wear their security identification wristbands on their wrists. New wrestler wristbands will be given for each day of the tournament – the new wristbands will be picked up at the check-in for weigh-ins each day. Coaches who have all their wrestlers eliminated but still stay to watch wrestling should pick up their wristbands at the weigh-in checkpoint.

Security identification wristbands are required to gain entrance into the weigh-in and warm up areas in Hy-Vee Hall and the Tunnel Entrance into Wells Fargo Arena. These security identification wristbands will allow team personnel access for the entire tournament, regardless of how far a school's wrestler(s) advances in the tournament. Security identification wristbands **MUST** be worn on the wrist to gain access. Anyone **NOT** wearing a security identification wristband will **NOT** be allowed access to the secured areas in Hy-Vee Hall and Wells Fargo Arena, which means they will have to buy a ticket and sit in the spectator seating area to watch wrestling. Only those personnel with security identification wristbands will be allowed access to the floor level of the Arena. Damaged bands can be *exchanged* at the Head Table or at the desk in the locker room hallway next to Warm Up Area "A". After entering through Wells Fargo Arena, security identification wristbands will allow access to the spectator seating area through a designated access point.

ADVANCING TO STATE INDIVIDUAL WRESTLING COMPETITION

The first and second-place finishers in district competition advance to the state individual wrestling tournament.

If for some reason (injury, illness, ineligibility, etc.) a first or second-place finisher cannot advance or compete in the state tournament, the athletic director from the wrestler's school should call the IHSAA immediately. When this occurs, the third-place finisher from that district will advance to state competition. If a district champion is unable to compete in the state tournament, the runner-up from that district will take the champion's place on the state tournament bracket and the 3rd-place wrestler from that district will take the runner-up place on the bracket. If a runner-up is unable to compete, the 3rd-place wrestler from that district will take the runner-up's place on the bracket. NOTIFICATION REGARDING INJURY OR ILLNESS MUST BE MADE TO THE ATHLETIC ASSOCIATION BY 9:00PM WEDNESDAY BEFORE THE INDIVIDUAL STATE WRESTLING TOURNAMENT FOR ANOTHER WRESTLER TO ADVANCE TO THE STATE TOURNAMENT. IF THE INJURED/ILL WRESTLER IS A MEMBER OF A TEAM PARTICIPATING IN THE STATE DUALS THE TOURNAMENT MANAGER WILL DETERMINE THE DEADLINE FOR ADVANCEMENT OF THE 3RD PLACE DISTRICT WRESTLER. In no case, will a 4th-place district finisher advance to the state individual tournament.

If the 1st-place, 2nd-place, and/or 3rd-place district finishers cannot compete in the state tournament, the opposing wrestler who has made weight, and is otherwise eligible, is awarded a forfeit and two advancement points.
