USBC RULE CHANGES FOR 2020-2021 HIGH SCHOOL BOWLING

Rule 18 USBC will temporarily allow the use of isopropyl alcohol, aka rubbing alcohol on the outer surface of the ball at any time during USBC certified competition.

Rules 106a and 106b USBC will temporarily allow individual teams to compete on a single lane without the requirement to rotate lanes after each frame.

Rules 320a and 320b USBC will temporarily allow individual teams to compete on a single lane without the requirement to rotate lanes after each frame.

FREQUENTLY ASKED QUESTIONS REGARDING BOWLING BALL CLEANING

While bowling in USBC competition, a bowling ball cannot:

- a. Have the surface altered by the use of an abrasive.
- b. Be cleaned with any liquid substance or cleaning agent.
- c. Have any foreign material on it including, but not limited to, powder, rosin, marker or paint.

All bowling balls so altered or cleaned must be removed from the competition. Note: Should a foreign substance appear on the outer surface of a bowling ball which cannot be removed with a dry towel, an approved cleaner may be used with consent from a league or tournament officer.

When may I alter the surface of my bowling ball?

You are permitted to sand, polish, or clean the surface of your bowling ball prior to the start of competition. However, once tournament or league play begins, altering the surface of a bowling ball is strictly prohibited. This includes balls that have not yet been introduced into play.

When does competition start?

Competition starts once any bowler throws a ball for score in a league or tournament.

Can I pat my ball with rosin or powder if I wipe the ball before it is delivered?

No. Wiping the ball with a towel does not make the ball compliant to the rule. Patting a ball with a product is adding a foreign substance to the ball and cannot be done during competition. A product can only be applied to a bowler's hand and not leave residue on the surface of the ball.

Can I clean my ball with an approved cleaner during practice?

You can clean your ball with an approved cleaner during practice, unless otherwise specified by league or tournament rules.

If I take a ball out of my bag that I have not bowled with, can I clean it with an approved cleaner?

No, approved cleaners cannot be used once competition has begun. This rule applies to balls from a bowler's bowling bag, locker or car, etc. We suggest you clean all your bowling balls prior to the start of competition.

A tournament consists of singles and baker events. The singles event is bowled first immediately followed by the bakers. Can I "alter the surface of" my bowling ball between events?

No. Rule 18 does not allow the outer surface of any bowling ball to be altered after the start of competition. Since the tournament is conducting singles and bakers concurrently, you cannot alter the surface of the bowling ball between events.

Can a bowler use an abrasive, cleaner or polish on just the track or only just a portion of the track of the ball?

No. USBC specifications require that the entire surface of the ball be prepared in a uniform manner. Preparing the surface of a ball in any other manner would be a violation of Rule 17a, Item 1. The penalty for a violation of this rule can include disqualification, forfeiture, removal from the league, and/or suspension of USBC membership.

What happens if a bowler uses a cleaner, abrasive, or puts a foreign substance on the ball?

If the bowler was not aware of the rule, the ball is removed from competition. The bowler also should be given an explanation of the rule. Conversely, if the bowler knows a ball cannot be cleaned, patted with rosin or powder or use an abrasive, the ball must be removed from competition and the games are subject to forfeiture. If there is a question as to whether a bowler knew the rule or not, the league board of directors makes the determination. If the bowler refuses to remove the ball from competition, the games are subject to forfeiture.

If my ball comes back with residue on it and I cannot clean it with my dry towel, rag or shammy, can I use an approved cleaner?

Yes, provided you get permission from a league officer or tournament official. If you clean your ball without prior permission, you may be asked to remove the ball from competition, and/or the games may be subject to forfeiture.

When I have permission to clean my ball, may I clean the entire ball?

Yes, you may clean the entire surface of a bowling ball.

GAMESMANSHIP

The Bowling Advisory Committee and the administrative staffs are concerned about "gamesmanship" being used in bowling competition. Accordingly, the Advisory Committee recommended and both Boards adopted the following rule: **"Coaches shall remain two feet behind the approach area and not be in a position that impedes the competitive bowlers."** There is no reason why coaches or non-competitors should be in any position to disrupt bowlers. We will monitor this practice and stricter restrictions may be imposed. Coaches, take care of this so your governing bodies won't have to impose further restrictions.

BOWLER'S AREA

The host school is responsible for designating a bowler's area during the match.

Authorized Personnel: The coach(es), participating bowlers and bowling center staff as needed, are the only persons authorized to be in the bowler's area during a match. Substitutes and other interested parties must remain behind the area defined as the bowler's area.

A. Team Structure:

1. A varsity or junior varsity team shall consist of no more than 6 bowlers. A team may have an unlimited number of reserve bowlers. Each of the six team members will bowl individual games with the best 5 two game total pin scores being used to determine the team individual total.
2. A legal lineup may consist of a minimum of 3 bowlers and 2 vacancies or subs.
3. Coaches may change player(s) on a team after a game but not in the middle of a game.
4. Six (6) bowlers will bowl two regular games of competition and five (5) bowlers 5 games (one equivalent game) of 5 person Baker Format. (See Substitution Rule)

B. Competition Format:

1. Round 1 (approximately 35 minutes) Two Games: Six (6) players bowl straight individual 10 frame scoring. Between rounds, both teams assemble on one pair of lanes. The top five (5) two game total pins from Round 1 are added to each team's first frame of Round 2. (If scoring units will not accept total pins from Round 1, enter the difference between both teams total for Round 1.) Cross-lane bowling procedures will be used for Round 1.
2. Round 2 (approximately 45 minutes) Five Games Baker format (one equivalent game): As games progress, total pins are always visible on the scorer. Substitutions AND BOWLING ORDER CHANGES may be made in this round BETWEEN GAMES. Coaches will have the opportunity to create a new bowling order prior to each Baker game. For example: Player A could be the first bowler in game #1, the second bowler in game #2, not bowl in game #3, be the third bowler in game #4, and be the fourth bowler in game #5. Teams will bowl all frames of each Baker game on one lane, switching lanes only between games.
3. Total combined pinfall of both rounds wins the match. In case of a tie, there will be a roll-off consisting of one Baker game to determine the winner.

C. Playing Format:

1. Team Presentation: A team is expected to present a legal lineup on the lanes at the scheduled starting time for each match.
2. Practice Balls: Bowlers will be allowed two (2) deliveries per lane for both regular season and tournament play. Bowlers are not permitted to bowl on the same day, prior to a competition, in the bowling center where the competition is to be held with the exception of PE classes and school and youth sponsored events or programs. A bowler that violates this provision will not be allowed to compete in the given event.
3. Lineups: Coaches shall post their roster five minutes prior to the scheduled start time. Teams bowling on the odd-numbered lanes will enter their lineup first.
4. Absentee/Vacancy: An absentee/Vacancy score of zero (0) shall be given when a team has a legal lineup but less than a full lineup at the start of any game in the series. Two or more members are required for team format.
5. Conduct of Coaches, Players, and Spectators: IHSAA Policy will be enforced.
 - a. All bowlers will remain in the immediate bowling area while competition is in progress.
 - b. Bowlers will be expected to follow the previous bowler promptly and will be required to bowl as soon as the one lane to their right is clear.
 - c. Unsportsmanlike conduct, including but not restricted to vulgar language, or abuse of equipment or facilities is not permitted. Violators are subject to disqualification.
 - d. Foul Line: The foul line shall be observed during match play. Awards will not be issued if automatic foul detecting devices or a human foul judge is not used. When a player deliberately fouls, the player shall receive zero pin fall for that frame.
6. Score keeping: Score keeping will be performed by a computer/automatic scoring unit in centers so equipped. If a center is not equipped with automatic scoring, an independent, non-biased third party will perform scoring. It will be the responsibility of coaches to verify that scores are complete and accurate. Coaches must sign official score records and leave a copy with tournament official.

No electronic use (cell phone, iPod, mp3 player etc) is permitted in competition area during warm-up or competition. Failure to follow this rule will result in disqualification of bowler and a score of 0 for the game.

Note: At the conclusion of the game in which disqualification occurred a substitute may be allowed to enter the competition to replace the disqualified bowler.

Bowling out of Rotation/Order: Any ball(s) thrown out of order will be scored as a zero. Example: If bowler #3 bowls in place of bowler #2, then bowler #3 receives a zero for their next designated turn for any ball(s) thrown in the incorrect frame. Bowler #2 will bowl the frame in which they were supposed to bowl.

NON-SCHOOL COMPETITION

If approved by the school, it is permissible for student-athletes to participate in youth and/or adult bowling leagues during the bowling season. Student-athletes are never to accept cash while participating in these leagues, but may receive merchandise from the bowling proprietor. Student-athletes are responsible for knowing the rules regarding potential violations and their

amateur status in the sport of bowling.
