FOREWARD

The information in this book represents the history of the high school State Bowling Tournament. We have tried to make it as inclusive as possible. The 2021 State Meet will be the 12th in the IHSAA history of the sport.

The IHSAA started a sanctioned State Tournament in 2010, but the roots of the sport go back to 1970 when the Iowa Bowling Proprietors Association staged an annual invitational “state tournament” for those schools that offered the sport on a club activity.

By 2010, the requisite number of schools had varsity teams and the IHSAA Board of Control, in conjunction with the Iowa Girls’ High School Athletic Union, created a tournament structure for qualifying to the State Tournament, which is contested annually in February. The structure was initially in two classes but by 2015 the sport grew to three classes. A joint advisory board of coaches was created to offer suggestions for improvement and expansion. The first year 87 schools with 1,353 athletes competed. In recent seasons, over 100 schools and nearly 2,000 boys participate.

There have been two IHSAA assistant directors who have administered the program – David Anderson, 2010-14, and Todd Tharp, 2015 to the present.

Any team, individual, and coach information that is missing or incorrect in this publication will be updated as it is received and verified. With the creation of the book, each of the sanctioned IHSAA sports now have their own Stat Book.
