## **IHSAA STATE WRESTLING UPDATE: Release to member schools, media**

Good afternoon,

This message is an update and clarification on the 2021 IHSAA State Wrestling Championships.

Due to COVID-19 related safety and capacity considerations, the IHSAA's Board of Control will vote to determine the schedule and format of the State Traditional Tournament and State Dual Team Tournament at their January 21 meeting. The tournaments are currently scheduled for February 17-20 at Wells Fargo Arena in Des Moines.

Any tournament updates will be announced with member schools and publicly immediately following that board meeting.

The IHSAA has not yet approved or announced any COVID-19 related changes to wrestling's 2021 state tournaments or postseason. Conflicting information or scheduling should be considered unofficial.

Further updates on the 2021 IHSAA State Wrestling Championships will be found online through the [IHSAA home page](#), [News page](#), [Wrestling page](#), and [State Tournament Central page](#), as well as on IHSAA social media accounts on [Twitter](#) and [Facebook](#).
