Reserved Tickets Sent to Schools

Schools were sent passcodes on Monday, February 7 for reserved ticket sales for both Friday's prelims and Saturday's finals.

Deck Passes

Schools are given three complimentary coaches' wristbands. All coaches must be bona-fide, school coaches. Any team wishing to have additional coaches or managers on the deck must purchase a deck pass at the pass gate on Friday, February 11. A letter from the school administration must accompany the additional coach and manager in order to purchase the deck pass for \$20. Only these coaches, competing swimmers (including

alternates) and managers will be allowed on the deck. Wristbands for coaches permitted to be on the deck will be handed out at the pass gate at the meet.

Each school is required to prepare a pass list for its state qualifiers at the following link: <https://www.iahsaa.org/2022-state-swimming-competitors-list/> Pass Gate personnel will have names of the coaches, swimmers, and alternates and only these individuals are allowed through the pass gate. Please do not bring non-qualifying personnel through the pass gate. They need to enter through the main ticket entrance of the Campus Recreation and Wellness Center.

No school will be allowed more than three alternates. These alternates are based on the amount of relay teams that you have qualified. One relay team, one alternate; two relay teams, two alternates; three relay teams, three alternates. Your pass gate information is based on the number of swimmers who swam at the district meet and your alternates, up to three. Alternates may be in the team photo, but they will not receive a complimentary picture plaque.

Parade of Events

For both the prelims and finals, competitors for each event will parade together from the staging area in the southwest corner of the pool to the starting area. Swimmers should meet in the staging area one event before the event in which they will swim. Swimmers in each heat will parade together to the starting area prior to each heat.

Introduction of Teams

In working with the advisory committee, teams will not parade in the venue prior to Saturday's finals. We will introduce each team on the deck similar to what was done last year at Linn-Mar. Swimmers must be dressed in school-issued swim attire. A school approved banner/sign is allowed during these introductions.

Pouring Home Pool Water into the State Meet Pool

These are the rules that will be followed if a team feels it is necessary to pour home pool water into the state meet pool:

- 1) it shall be done in a manner that is NOT disruptive to other people on deck, including officials, members of other teams, and workers;
- 2) it MUST be done before the pool closes at 12:00 PM;

3) containers used for pouring home pool water into the pool must be small enough to be held in one hand and may NOT be glass containers.

Relay Cards

Coaches will be given relay sheets prior to the start of Saturday morning's coaches meeting. Coaches are asked to update relay order and competitors at that time.

Deck Restrictions

Glass containers are not allowed in the natatorium.

Each team will be assigned a camp location along the deck of the warm-up/cool down pool and diving well. Athletes may leave their belongings on or behind the bleachers on the deck. No bags can be placed in front of the athlete seating.

Lockers are available for athletes to rent during the competition.

Team banners & signs are not allowed directly over the competition pool. A school approved banner/sign is allowed during the parade of teams.

Towels are not allowed on the starting blocks.

Use of Foreign Substances Banned

The Swim Coaches Advisory Committee has recommended, and the Board of Control has approved, that all foreign substances (sprays, oils, lotions, etc.) used to aid speed and buoyancy be banned at the district and state meets. Products such as oils, "motion lotion," sprays "Time-Off," etc. are not permitted due to concerns about the deck becoming slippery and the strain on pool filtering systems. It is permissible to use analgesics which are absorbed into the skin. These substances can only be applied in the warm-up/cool down area. Analgesics cannot be mixed with baby oil or other substances which are not absorbed. It is not permissible to use any substance which is not absorbed into the skin.

Per NFHS Rules, the backstroke wedge is illegal to use during competition.

Judging the 200 Individual Medley

Some swimmers in the 200 Individual Medley are using a "cross-over" turn,

rather than an “open” turn, to transition from the backstroke to the breaststroke. Rule 8-2-5 states each section of the IM must be finished in accordance with the finish rule that applies to the stroke concerned. Rule 8-2-1 states the finish of the backstroke requires the swimmer to remain on his back “to the degree the shoulders do not turn over beyond the vertical plane” before contact with the wall. Officials judging turns at the State Meet have been positioned on the sides of the pool, making enforcement of this rule difficult if a 200 IM swimmer executes a cross-over turn when finishing the backstroke section. During the 200 IM only, the referee, starter, bench official, and the official serving as head timer will move to positions between the starting blocks to observe the backstroke to breaststroke turns from above.

Electronic Relay Judging Equipment

Electronic relay judging equipment will be used during the meet. Officials will use the protocol found under Appendix B in the NFHS Swimming and Diving Rules Book.

Preliminary/Final Reminders

With this being the first year of the having a prelim/final state meet format, I want to make sure that schools are aware of the following rules/protocol. Exact wording of the rule can be found under 5-4 in the NFHS Rule Book.

The fastest eight swims from Friday will qualify for the championship finals with the next eight swims qualifying for the consolation finals on Saturday.

The next two highest non-qualifiers (17th and 18th place) will be named in order to guarantee a full complement of finalists, provided there is no delay in the meet, in case one of the 16 qualifiers cannot swim due to illness or injury.

In case of a swim-off, swimmers shall have a 25-minute period between the swim-off and any other event in which they participate.

STATE SWIMMING MEET WARM-UP PROCEDURES

Listed below are the warm-up procedures for all swimmers at the State Swimming Meet. These warm-up procedures were recommended by the Swim Coaches Advisory Committee. You will want to inform any contestants you may have that this is the procedure that will be followed. This is being done for the safety of all swimmers involved. **A lifeguard will be on duty during warm-ups and competition.**

NO ONE IS TO ENTER THE WATER UNTIL DIRECTED TO DO SO BY THE SUPERVISING OFFICIAL. NO EQUIPMENT (SNORKLES, KICKBOARDS, ETC.) ARE ALLOWED IN THE COMPETITION POOL DURING THE WARM-UP PERIOD OR THE TWO BREAKS DURING THE MEET.

ALL QUALIFYING TEAMS

Friday - 3:30 pm to 4:15 pm

Both pools: All lanes, circle swimming. **NO DIVING!** Feet first entry.

Friday 4:15 pm to 5:15 pm

Competition Pool: Lane 1-4: Starts/Sprints **Swim to other end and get out.**

Competition Pool: Lane 5 - 8: Relay Exchanges

Warm-up Pool: All lanes: Circle Swim

*A coach can request a change in these assignments if a lane becomes available during the warm-up period.

Saturday - 10:30 am to 11:15 am

Both pools: All lanes, circle swimming. **NO DIVING!** Feet first entry.

Saturday 11:15 am to 12:00 pm

Competition Pool: Lane 1-4: Starts/Sprints **Swim to other end and get out.**

Competition Pool: Lane 5 - 8: Relay Exchanges

Warm-up Pool: All lanes: Circle Swim

*A coach can request a change in these assignments if a lane becomes available during the warm-up period.

12:00 pm ----- Clear Pool

The warm-up/cool down pool may be used during competition. At no point, including pre-meet warm-ups, will any athlete be allowed to swim in the area between the two bulkheads.

STATE SWIMMING TEAM PHOTO PROCEDURES

For schools participating on Friday, team photos will be taken from 2:30 pm until 4:00 pm. For schools only swimming on Saturday, team photos will be taken from 9:30 am until 10:30 am. These photos will be taken on the north side of the natatorium past the rock-climbing wall.

STATE TOURNAMENT PLAQUES

Each team that qualifies for the state swimming meet will have a team picture taken by the IHSAA. A color photo of the team will be taken and placed on a plaque designating that your team was a state tournament participant. Each team member and head coach will receive a complimentary plaque. Relay alternates will not receive a complimentary picture plaque. Athletic directors will be notified when the picture is available to identify athletes via Varsity Bound. Additional plaques can be ordered through the IHSAA at that time.

Only school issued attire may be worn during the team photo and for all pictures. Swimmers must wear tops and bottoms on the award stand. Swimmers not conforming to this rule will not be allowed to participate in the picture taking or award ceremony.

No plaques will be presented to individual or relay place winners. Those photos may be purchased by visiting Jolesch Photography at <http://www.bandgroupphotography.com/IHSAA/Index.html>.
