## MEDIA INFORMATION

### MEDIA ACCESS

- **Entry:** Check-in will be at the Media Pass gate at the NW corner (Clark St. & 28<sup>th</sup> St.) of Drake Stadium to receive initial entry, programs, and informational items.
- **Credentials:** Media members should display the IHSAA & IGHS AU's 2021-22 purple hard copy credential if they have it. If they do not have the pass, they will receive a temporary wristband upon entry. The credential and/or wristband will be required before receiving access to the stadium.
- **Regulations:** Credentials and wristbands have been issued to media members for the sole purpose of providing access to individuals with legitimate working functions for bona fide news outlets. Unauthorized use or sale of these credentials subjects the bearer to ejection from the state meet and revocation of access rights to their media outlet. Your application for and entry with a state tournament credential indicates your compliance with IHSAA and IGHS AU rules and regulations.

### SCHOOL MEDIA REPRESENTATIVES

- **Student & School Coverage:** Schools may select either one adult OR one student to serve as their school media representative at the state meet. Those representatives must present a form letter signed by a school administrator at the Media Pass gate. Schools may utilize different individuals on different days. As of 2022, access is complimentary.

### MEDIA WORKSPACE

- Please do not occupy seated workspace within the stadium if you will be leaving your personal items unattended for extended periods of time.
- **Press Box:** Space is available in the 42-seat newspaper box. Not all outlets can be placed, so please be courteous and considerate with seating. All seats are unassigned and first come, first serve.
- **Radio Booths:** Booth space will be assigned with 3-6 members per booth. Radio rights are free for this year's meet.
- **Southwest Mezzanine:** Viewing and limited seating space will be available. Space is unassigned and first come, first serve.
- **Southwest Tunnel:** Space is available with tables, chairs, and benches in the tunnel at Drake Stadium's southwest corner. The tunnel is accessible through a marked door on the concourse.

### TRACK & INFIELD ENTRY

- Drake Stadium's infield is available for media members to shoot images and conduct interviews. Do not go over fences between stadium seating and the track. Be aware of events and your surroundings when entering and exiting the infield. Anyone who restricts an event in progress, a competing athlete or official, or interferes with the finish line area will be dismissed from the stadium. Media members should return to workspaces once infield interviews are completed.
- The infield is accessible from ground-level entrances in the NE and NW corners.
- Photographers may work from available space outside the track boundary lines near Turn 1 and Turn 3.
- Access from the SW corner staircase is available, however the landing should be kept open prior to race starts.

### EVENT RESULTS

- Shortly after each event, results will be posted on Drake Stadium's video board. Once they are ruled final, they will appear through live updates on IGHS AU and IHSAA websites. Results will NOT be printed and distributed after each event in 2022.
