

IOWA HIGH SCHOOL ATHLETIC ASSOCIATION

Tennis Memo #3

May 2, 2022

Hello!

Hard to believe we're already entering the final few weeks of the 2022 Iowa high school boys' tennis season. Some important updates below re: postseason for tennis coaches and ADs.

1. Postseason Manual

Now available [HERE](#) and the [Tennis page](#). Dates, guidelines, tournament information, and more. Please review prior to arriving at your district tournaments!

2. District Entry Forms

Again, available [HERE](#) and on the [Tennis page](#). All participating teams must complete and submit this form to the host site manager and to the IHSAA (ccuellar@iahsaa.org). The form is a fillable PDF and is due by **12 p.m. on Friday, May 6**. A friendly annual reminder that entries must play either singles OR doubles in the district tournament.

3. Postseason Assignments

District assignments were [released on Wednesday, April 27](#) following approval by the Board of Control. Substate sites and pairings will be released later this week once host sites are finalized. Preliminary substate team matches are scheduled for Friday, May 13.

4. Roster & Results Updates

One final reminder to have your roster and results updated through Varsity Bound and if possible, UTR. While during your seeding research, take a peek at Varsity Bound's new [Individual Results](#). These can be viewed by clicking on a player's name through the team's roster.

Coaches and ADs: Keep an eye on your inbox the next couple weeks as plenty more information to come on the fast-paced postseason. Will do my best to keep everyone in the loop and please don't hesitate to reach out if you've got further questions!

Best,

Chris Cuellar
