Once completed and approved by the IHSAA, this form must be given to the assessor as permission to perform the appeal.

ALL APPEALS MUST BE CONDUCTED WITHIN 14 DAYS OF THE SCHOOL RECEIVING THE ASSESSMENT RESULTS FROM THE ASSESSOR AND BEFORE A WRESTLER COMPETES AT ANY LEVEL.

We understand the following rules apply to all appeals.

1. Appeals may only be performed with prior approval from the Iowa High School Athletic Association. Appeals performed without prior approval from the Iowa High School Athletic Association are invalid.
2. The wrestler's school administration must request and acknowledge the appeal.
3. All appeals must be conducted within 14 days of the school receiving the assessment results from the assessor and before a wrestler competes at any level.
4. The same body composition assessment agency must perform the appeal that performed the original assessment, and the same assessment method must be used.
5. The wrestler must pass the hydration assessment at the time the appeal is performed.
6. Wrestlers will use their weight at the time of the original body composition assessment unless they have gained more than 1.5% of their body weight (rounded up to the nearest pound) between the time of the original assessment and the appeal. If they have gained more than 1.5% of their original weight, they must use their actual weight at the time of the appeal. If a wrestler has lost weight between the time of the original assessment and the appeal, the weight at the time of the original assessment must be used for the appeal because the wrestler is only appealing if their percent fat was accurately determined.
7. The wrestler, and/or school, is responsible for any & all costs related to the appeal.

NOTE: Before a wrestler decides to appeal, he/she may, but is not required to, ask their body composition assessor to review the data related to the original assessment. If an error is detected, the assessor should contact the Iowa High School Athletic Association with the correction. Correcting an error does not constitute an appeal.
