## Head Coach Information

You will have 30 minutes of guaranteed warm-up time. You do not have to leave the field prior to your game. UNI representatives will talk with head coaches regarding the time schedule.

Television format. There will be one ninety second timeout per quarter. This will be an official's timeout and not charged to either team. At approximately the 1 minute 15 second mark, teams will be told to head toward the field and at two minutes, the ball will be marked ready for play. The break between the 1<sup>st</sup> quarter and 2<sup>nd</sup> quarter and the break between the 3<sup>rd</sup> quarter and the 4<sup>th</sup> quarter will be 2 minutes in length. Each team will receive their 3 time outs per half, with each time out being 1 minute in length. The officiating crews have been told to hold your team on the sideline until the first whistle.

Halftime- Halftimes are scheduled for 12 minutes, plus the 3 minute mandatory warm-up period. Time will not be reset if both teams come out early due to media obligations. Locker Room attendants will be near your locker room if you so desire to head back to your locker room. Visiting teams may stay in the garage door area, while home teams are free to stay in the hallway leading up to the WRC. It should not interfere with the normal halftime procedures, but you will be informed if the field is not ready for you for warm-up.

### Locker Room Assignments/Field Access:

Team locker rooms are available approx. **2 hours** prior to game time. You will not be guaranteed a locker room if you show up prior to this. You may share a locker room for some of your games so please be courteous to the other teams that are in there before and after you. Please be responsible for your valuables. Security will randomly walk through the locker rooms You will get access at the start of the second half of the game prior to yours. **Home teams will share the Women's PE or Men's Athletic locker rooms, access the field via the PEC tunnel, and warm-up on the north end of the field. Your sideline will be on the East Side of the UNI-Dome. Visiting teams will exit the WRC, go outside and access the field through the vehicle entrance of the UNI-Dome. Visiting teams will warm up on the south end of the field, your sideline will be on the West Side of the UNI-Dome. Visiting teams will share the Men's PE or Women's Athletic locker rooms.**

Each team playing the **first game of the session** will be asked to line up on their respective 30 yard line approximately 8 minutes prior to kick-off for the National Anthem. For 8 player teams, this will be the 11-player 30 yard line as well. This will not take away from your 30 minutes of pregame warm-up. After

the National Anthem, your captains need to be immediately ready to go to mid-field for the mock coin toss.

Each team playing the second, third or fourth game of the session is not required to leave the field; however, if you do so, we would like to hold you in the garage area/tunnel until the conclusion of the Farm Bureau Welcome Message.

You may use your respective Wilson GST footballs. The IHSAA will have Wilson GST footballs and an air pump on site if needed.

The UNI-Dome recommends tennis shoes only be worn in the Dome. If removable cleats are to be worn, cleats with metal tips are prohibited.

No sunflower seeds are allowed on the sidelines.

Film Exchange- There are platforms on the east side outside the pressbox for videotaping purposes. Endzone cameras are permitted in the north concourse area of the UNI-Dome. There is room for one individual from each school to set up their end zone camera and be in that area. There are to be no cameras located in the pressbox area, either the coaching rooms or the areas designated for press and media. There is also electricity for one extension cord.

The University of Northern Iowa will provide training services for all contests. Water will be provided for all contests. We will follow the NFHS Concussion protocol and procedures. UNI trainers will work with school authorities regarding all injuries.

The University of Northern Iowa will provide coolers for each school to use. There will be at least two coolers on each sideline. If you have a mixture that you would like poured into the cooler, please contact the UNI training service. **Outside coolers will not be allowed into the Dome and on the sidelines.** We have had too many instances of teams dumping water coolers onto the coach which leads to additional time being spent to vacuum up that water prior to the next contest.

Bound should be up to date so Chris can pull up to date stats for the program.

Awards Presentation- There will be a brief awards presentation after the contest. The runner-up team will receive their awards first, followed by the championship team. Please keep your players on the field.

No interviews on the field. Those will take place off the field. An interview room is provided after the contest. IHSAA staff will take coaches and chosen players to the interview room. It is expected for coaches to be in the interview room 15 minutes after the conclusion of the awards presentation.

It is permissible to practice at another venue prior to your championship contest. With both girls and boys basketball practices beginning and shortness of daylight, you may use facilities that are not owned by your school district in order to prepare for your contest. No school may practice in the UNI-Dome prior to their championship game.

No banners or hoops are allowed in the UNI-Dome.

### **Pep Band Information-**

Each school is allowed to bring a pep band. Pep band members must pay to get in. There will be a designated area for each pep band to set up (home team in Sections C and D; visiting team in Section S and T). There will be no use of extension cords to plug in amplification systems in the UNI-Dome. Pep bands may play during the pregame, quarter breaks and halftime when other announcements are not being made. Once the official marks the ball ready for play and the 25 second play clock is counting down, all pep band music shall cease. Please note that the ICCA All-State Cheerleaders will perform during the Class 2A and Class 3A halftimes and the IHSAA will be presenting awards during the Class 4A and Class 5A halftimes, so pep bands will not be able to perform during that time.
