

**CHEER UNIFORM REQUIREMENTS ALONG WITH RECOMMENDATIONS
INTENDED FOR AN ATHLETIC IMAGE FOR HIGH SCHOOL CHEERLEADERS
Re-approved by the Board of Control in August 2015**

After receiving questions from coaches on uniform selection, plus comments from administrators and officials about appropriate uniforms, ICCA investigated information and has developed recommendations to help clarify this issue. We hope that coaches follow these recommendations when selecting uniforms and accessories. Our goal is for high school cheerleaders to wear uniforms and accessories appropriate for depicting an *All-American* image both for student-athletes of high school age and the high school educational environment with cheerleaders displaying an overall appearance conducive to serving as public representatives and ambassadors of their school.

Uniform/accessory guidelines that are a National Federation or ICCA/IHSAA rule are marked by an asterisk (*). Cheerleaders are required to follow these rules.

DEFINITION OF SCHOOL ISSUED UNIFORM

The ICCA definition of an official school issued uniform for high school cheerleaders is a combination of skirt, top, sleeves and warm ups that are actual cheerleading garments made/constructed of school colors which were purchased for the activity of cheerleading. This includes tops, skirts, and cheerleading warm ups. Pants (including yoga pants), leggings (including hose/tights), shorts, jerseys, and T-shirts are not considered official school issued cheerleading uniforms. There may be an exception for T-shirts if two schools have recently consolidated, but this would be rare.

APPROPRIATE CHEERLEADING SHOES

The National Federation Spirit Rule 2-3-4 states that “Apparel and accessories must be appropriate for the activity involved. Cheerleaders must wear athletic shoes.”

All cheerleaders, including wrestling cheerleaders, must wear shoes actually designed for cheerleading. Even though some shoes look like tennis shoes, they are not legal if they aren't cheerleading shoes. Not all cheerleading shoes are made the same, so it's important for coaches to check out shoes before ordering them. This could (and should) involve actually putting on the shoes and jogging and jumping in them so you can feel the shoe's flexibility, cushioning, and support. Cheerleading shoes should not have any items attached to them or their laces.
