Your school may purchase up to 30 tickets in each sale. Please remember that ticket quantities are limited and tickets are sold on a first come first serve basis.

#### **ONLINE PURCHASING:**

Iowa Events Center encourages schools and individuals to use the same account (email address and password) as used in the past, if applicable. You are advised to access this account – either by logging in, creating a new account, or resetting your password – ahead of the purchase date. This will allow you to avoid potential delays in your ordering process and ensure your Internet browser is up-to-date for ticket-buying features.

You will be required to use a link to make your school purchase. You will be sent two links, one for each on sale date. Once you purchase tickets on January 10 or 11 and January 12 or 13, the link will no longer be active. The two links will be sent out later.
