Purpose: The IHSAA Board of Control approved the formulation of a Student Advisory Committee (SAC), starting with the 2020-21 school year. This Student Advisory Committee is a diverse group of students who participate in interscholastic athletics/activities and are focused on providing education and leadership through open and honest communication with all member schools and their students, administrators, and coaches. This committee serves as a liaison between students, administrators, the IHSAA Staff and Board of Control. The student Advisory Committee helps promote the mission of the IHSAA, including leadership, sportsmanship, and integrity.
