Tennis Memo #3

April 13, 2023

Good afternoon, Head Tennis Coaches & ADs –

Below is some information regarding postseason play. As a reminder, through a recommendation from our tennis advisory committee and approval from our Board of Control, individual and team tennis are set up and run independently from each other starting this postseason. The team tournament quarterfinals are now part of the two-day state tournament and has been moved off the substate team final date.

1. District Singles & Doubles

District singles and doubles host sites are now posted [HERE](#). A big thank you to all the schools that have taken on these hosting responsibilities for all our tennis programs.

- District assignments will be released the week of April 24.
- District singles & doubles will be played on May 8 (rain date is May 9).
- 1st and 2nd place at each district site will advance to the 2023 state singles & doubles tournament.

2. Substate Team

Substate Team tennis assignments will be released the week of April 24 as well.

- Once assignments are released, coaches seeding meetings will be set up for each substate, then brackets and host sites will be set.
- Substate team tennis dates:
 - The first and second rounds of substate will be played on Friday, May 12 (rain date is May 15).
 - The substate final will be played on Wednesday, May 17 (rain date is May 18).
- First place team from each substate bracket will advance to the 2023 state team tournament.

3. Bound Reminder

All head tennis coaches, do not forget to enter your meet results into Bound after each competition. This information, along with other metrics, is utilized in determining postseason site assignments. To ensure this process is done as efficiently as possible, it is important this information is entered accurately and timely.

4. Postseason Manual

Our 2023 postseason manual is now available to coaches and ADs [HERE](#). This is also posted on our [Tennis page](#), along with other tennis season materials. This manual will have specific information regarding districts, substate, and our state tournaments.

Best of luck as we head into the second half of April!
