

High School Bowling Coaches,

For the 2023-24 Bowling Season the following changes have been made in Bound to facilitate greater clarity in entering and viewing Bowling stats.

### Meet Format Selector:

Based on your meet format, when entering stats click the "Meet Format" dropdown and select the appropriate option. Based on your selected format, the proper fields will be displayed for entry of your individual and/or Baker scores.

### Updated Statewide Leaders Pages

- "Score Per Series" has been removed from the state Leaders page.
- "High Score" and "High Series" have been removed from the Team Total state Leaders detail page.
- "Score Per Game" and "Score Per Series" have been removed from the Team Per Game state Leaders detail page.
- "Baker Game Average" has been added to the Team Total state Leaders detail page.
- "High Series" stat category should be calculating correctly on the state Leaders page.

As the season begins, our team will be here to help support you as you enter scores. If you find bugs or issues, please report them via the Green chat bubble in the lower right corner of your screen.

Have a great season!

Nathan Haila • Head of Product, Bound
