Overall, we lost a lot of experienced players from last season, due to graduation along with injury, and other situations. We have one experienced player back from last season and looking for a lot of contribution from him and one other player, especially. Ultimately, we will be very inexperienced when it comes to playing Varsity Basketball. We are looking to bring some young players onto the Varsity team as well. There are a lot of question marks this season but will be a great opportunity for kids and it will be a fun group to coach and a great challenge for all of us! We are looking forward to the season!

Nolan Cogdill - Senior, Started his Junior year only, 5.1ppg, 4.5rpg, 1.0apg

Miles Mudd - Junior, started his Sophomore year only, 7.2rpg, 4.1rpg, 1.5apg

We have an incoming freshman that will get to play a good bit. Parker Miller is his name. He will likely not have the freshman year that Jude did last season but I anticipate him playing an increasingly larger role as the year moves on.

Preseason Basketball Prospectus : Entry # 36835

Teams from your area and same class that we should keep an eye on

The past 5 seasons the state finals, semis, and really the state tournament, have been very well represented by the Raccoon River and the Little Hawkeye conferences. It has shown true that the top of our league (RRC) in recent history has a legit shot at winning it all. I say that to speak to our leagues depth and quality of play. Bondurant will not be what they were last year (plus I hear their best guy tore his ACL). North Polk lost a big part of their core that launched them to the semis. Whoever rises to the top of the RRC should be considered one of the better teams in the state. We have 5 non-conference games due to the number of teams in our league. Outside of league play we will face Norwalk (game 1) and DCG (game 21). Even at 10-13 and 8-8 (conference play) last season we had top ranked Clear Lake on the ropes at their place in the second round. That was after easily handling one of the top teams in the HOIC first round. I would keep an eye on us, ADM, maybe North Polk, Pella, and Nevada. Ballard and ADM have two of the best players in the conference especially with the Bondurant players injury. Pella is probably like us in that we feel like we could be a year away. Nevada will have a good record due to a terrible league. They have two guys that are pretty good as well. They are probably a middle to upper half team in our league. We are really young again. Our senior class is small and outside of one kid not very talented. I feel like we are a year away from coming into the season with big expectations. We have a few health concerns we have to overcome in the early part of the year with two starters. Our expectations could rise by the end of this season, if we stay healthy, and our decent senior can figure it out. My hope is that we are over .500, hosting playoff games, and have a chance on a neutral court to upset someone to get to the state tournament.

Newcomers to your team (Incoming freshmen or transfer students)

Jaxon Clark - 6'9" SO - Jaxon played in our last 4 games as a freshman. He is a game changer and made our team much better in the short amount of time he played as a freshman. He played in the MidPro AAU program this spring and summer and has really improved. I look for his name to make its way around the state the next three years. He is a true big that can step out and hit shots from the perimeter and his passing out of the post is the best I have seen from a kid of that size.

Lucas Swainey - 6'4" SR - Two year varsity player. Nice post player returning to give Jaxon some breathers. True role player that accepts that role

Tramell Smith - 6'0" JR - Played minutes off the bench last year and will have an expanded role off the bench this year. Long athletic kid who can be a game changer on the defensive end.

Jaden Burton - 5'10" JR - Played minutes off the bench last year and will have an expanded role off the bench this year. Great three point shooter as he shot around 45% last year in varsity games. He will be a nice player off the bench to help spread the floor.
