

AD's & Head Basketball Coaches-

I hope all of you had a great first practice yesterday as we start the boys basketball season. Will try and keep things pretty simple this week and remind some of you of pre season items you need to complete.

1) DAKTRONICS INFORMATION FOR SETTING UP CLOCK TIME AND TEAM

FOULS- Brett Lyon from Daktronics asked me to share this link with you regarding how setting your default for 8 minute periods and also for the 2 shot bonus on the 5th foul.

[All Sport: How do I setup for Women's NCAA or High School Basketball rules? \(daktronics.com\)](http://daktronics.com)

Realizing that girls games start this week, please feel free to share this with your clock operator and prepare your scoreboard for the new team foul rule. Additionally, since there is no double bonus for high school basketball anymore, we are telling schools that once the 5th foul bonus is reached, use only the single arrow on the scoreboard to show the bonus and do not use the double arrow anymore.

2) HEAD COACH ON-LINE RULES MEETING REQUIREMENT- A reminder that the head coach is required to view the on-line rules meeting by 11:59 PM on Monday, November 27th. Failure to view the rules meeting will result in the head coach's inability to coach his/her team during the entire post season. The list below shows the 35 schools that have not viewed the on-line rules meeting as of 8 AM this morning. Please go into Bound and log in there to view the rules meeting. This will link directly to us and will expediate the process of checking you off the list. Do not go to nfhslearn.com to view the meeting. Let me know if you have any questions
