

Week of November 6<sup>th</sup>

- 1) **ON-LINE RULES MEETING-** The only way for coaches to view the on-line rules meeting is through Bound. Your athletic director needs to enter your name and email address into Bound as one of your coaches. Once that h
- 2) **HUDL EXCHANGE LEAGUE POOL ZOOM MEETING-** On Tuesday, November 7<sup>th</sup>, a zoom meeting was held with the personnel from HUDL regarding the second year of the league pool for boys basketball. Similar to last year, all schools will have access to this pool, we are asking coaches to enter their previous night's game by 10 AM the next morning. The only major change this year is that we have organize the pool by classifications instead of just one long list. Hopefully this will make it a little easier to find the school you are looking for. Here is the link to the zoom meeting for you to watch for any updates.

Passcode: weXKm#q7

- 3) **SHOT CLOCK AND KICKING/BATTING VIOLATION-** There has been no change in the interpretation the IHSAA and IGHS AU had last year regarding when an intentionally kicked/batted ball occurs and NOT resetting the shot clock. If the ball is intentionally kicked or batted out of bounds, there will be no reset of the shot clock, similar to last year. We realize this contradicts part of the shot clock guidelines regarding resetting on violations, but we are creating an exception again this year for balls intentionally kicked or batted. I believe that in the on-line rules meeting, the slide talking about shot clock resets was inadvertently read saying the shot clock is to be reset in this situation, that is not correct.
- 4) **PRELIMINARY CLASSIFICATIONS-** The preliminary classifications for basketball are posted on our website. Here is the link to find your school's classification. <https://www.iahsaa.org/classifications/basketball/>
- 5) **PRE SEASON PROSPECTUS-** The following schools have not completed the preseason prospectus. Here is the link to complete the prospectus. <https://www.iahsaa.org/basketball/preseason-coach-prospectus/> Please try to have this completed by Monday, November 13th.
