- 1st and 2nd place at each district site will advance to the 2024 state singles & doubles tournament.

2. Substate Team

Substate Team tennis assignments will be released at the end of the week of April 22.

- Substate team tennis dates:
 - The first and second rounds of substate will be played on Saturday, May 11 (rain date is May 13).

- First place team from each substate bracket will advance to the 2024 state team tournament.

3. Bound Reminder

All head tennis coaches, do not forget to enter your meet results into Bound after each competition. Rosters should already be in UTR. This information, along with other metrics, is utilized in determining postseason site assignments. To ensure this process is done as efficiently as possible, it is important this information is entered accurately and timely.

4. Postseason Manual

Our 2024 postseason manual is now available to coaches and ADs [HERE](#). This is also posted on our [Tennis page](#), along with other tennis season materials. This manual will have specific information regarding districts, substate, and our state tournaments.

Best of luck as we head into the second half of April!
