The Record Book

The Record Book is the latest attempt by the IHSAA to preserve the history of Iowa high school boys' sports. Previously referred to as the Stat Book or the Dope Book, this printed and digital document highlights various accomplishments – championships, postseasons, statistical records and milestones – that belong to Iowa's outstanding member schools, teams, coaches, and student-athletes.

Acknowledgements

This information has been maintained and made publicly available through the vision and effort of two key former IHSAA staffers: information director Bud Legg, and publications director Mo Kelley. Countless coaches, historians, and journalists have supplied essential records and notes. More IHSAA staff members, most recently Elisa Kahler, Tim Latta, and Laura Brooker have assisted with edits and archive management.

A sincere "Thank You" goes to all who have contributed.

Updates & Edits

The IHSAA strives to make each sport's Record Book a comprehensive and accurate resource. Annual updates will be completed following each season. Records should be submitted by coaches or administrators. Assistance is welcome with incomplete categories or data sets.

Standards have been applied to available statistical lists. Benchmarks are indicated as necessary. This may alter previous lists, including "All-Time Bests" lists, and is to allow for accurate and equitable record-keeping.

Have an update or edit to pass along?

Please email communications director Chris Cuellar: ccuellar@ihsaa.org.

References & Style

The IHSAA uses naming conventions as supplied by the Iowa Department of Education for active member schools. Inactive, consolidated, or cooperative programs are listed as names have been made available. Certain names have been adjusted for space in select categories, including: city names (D.M. for Des Moines, C.R. for Cedar Rapids, etc.), parochial titles (Kuemper, Carroll for Kuemper Catholic, Carroll, etc.), working acronyms (GTRA for Graettinger-Terril/Ruthven-Ayrshire), and schools' city identifiers (West Lyon for West Lyon, Inwood). Statistics are cited as applied in high school (NFHS) sports rules.

About the IHSAA

The Iowa High School Athletic Association has worked to coordinate, develop, direct, oversee, and promote boys' high school and junior high sports and activities across the state of Iowa since 1904. The IHSAA is a 501(c)(3) nonprofit organization that offers free membership to all high schools in Iowa that are recognized by the Department of Education.
