The Record Book

The Record Book is the latest attempt by the IHSAA to preserve the history of Iowa high school boys' sports. Previously referred to as the Stat Book or the Dope Book, this printed and digital document highlights various accomplishments – championships, postseasons, statistical records and milestones – that belong to Iowa's outstanding member schools, teams, coaches, and student-athletes.

Acknowledgements

This information has been maintained and made publicly available through the vision and effort of two key former IHSAA staffers: information director Bud Legg, and publications director Mo Kelley. Countless coaches, historians, and journalists have supplied essential records and notes. More IHSAA staff members, most recently Colby Burt and Kelsey Roberts have assisted with edits and archive management.

A sincere "Thank You" goes to all who have contributed.

Updates & Edits

The IHSAA strives to make each sport's Record Book a comprehensive and accurate resource. Annual updates will be completed following each season. Records should be submitted by coaches or administrators. Assistance is welcome with incomplete categories or data sets. Standards have been applied to available statistical lists. Benchmarks are indicated as necessary. This may alter previous lists, including "All-Time Bests" lists, and is to allow for accurate and equitable record-keeping.

Have an update or edit to pass along?

Please email communications director Chris Cuellar: ccuellar@iahsaa.org.

References & Style

The IHSAA uses naming conventions as supplied by the Iowa Department of Education for active member schools. Inactive, consolidated, or cooperative programs are listed as names have been made available. Certain names have been adjusted for space in select categories, including: city names (D.M. for Des Moines, C.R. for Cedar Rapids, etc.), parochial titles (Kuemper, Carroll for Kuemper Catholic, Carroll, etc.), working acronyms (GTRA for Graettinger-Terril/Ruthven-Ayrshire), and schools' city identifiers (West Lyon for West Lyon, Inwood). Statistics are cited as applied in high school (NFHS) sports rules. Unless otherwise noted, an asterisk (*) denotes a school that no longer exists due to closure, reorganization, or consolidation.

About the IHSAA

The Iowa High School Athletic Association has worked to coordinate, develop, direct, oversee, and promote boys' high school and junior high sports and activities across the state of Iowa since 1904. The IHSAA is a 501(c)(3) nonprofit organization that offers free membership to all high schools in Iowa that are recognized by the Department of Education.

HISTORY & AWARDS

IHSAA Tennis Timeline

History and highlights as archived for tennis by the Iowa High School Athletic Association.

Year	Notes
1929	IHSAA sanctions its first state tennis tournament for May 25 in Des Moines. The tournament was managed by Des Moines Roosevelt with entry fees of \$1. Roosevelt's John Stoddard won singles and Des Moines North's Harold Hockenber and Harry Lazars became the first doubles champions.
1931	Postseason expands to add four preliminary district meets prior to the state tournament.
1942	Previously held fall tournaments in tennis, golf, and baseball, scheduled based on school interest, are discontinued due to limited participation.
1955	Art Andrews of Iowa City becomes first three-time state singles champion following wins in 1953 and 1954.
1957	Burlington's Joe Gaston becomes the first player to win four individual tennis titles, capping his varsity career with doubles wins in 1954 and 1955 alongside his twin brother Charlie, plus singles wins in 1956 and 1957.
1970	Coed tournaments are started as joint ventures of the IHSAA and IGHSAU in tennis and golf. The events are held in late July in Des Moines. Ottumwa's Tom Johnson and Marcia Friedl win the first tennis championship.
1977	Tennis expands to two classifications for postseason play. The largest 48 schools are placed in 2A, with remaining schools assigned to 1A.
1983	Separate from the singles and doubles championships, the IHSAA sponsors a State Team Tournament at Birdland Park in Des Moines. Cedar Rapids Washington (2A) and Camanche (1A) win the first titles in the final four competitions.
1996	Cedar Rapids Washington becomes the first program to win championships in singles, doubles, and the team tournament in a single postseason.
2016	Team postseason adds quarterfinals to part of state tournament, with the round taking place on the same date and site as the substate final.
2023	New sites added to state tournament schedule, including Hawkeye Tennis & Recreation Center (2A individual, 1A team) and Waukee Northwest High School (2A team). The team state tournament expands to two days, eight teams.
