

2025 Preseason MEMO 1

March 7, 2025

Dear IHSAA Spring Golf Schools,

Just a few quick notes as we prepare for the season. A list of [Preliminary Classifications](#) are posted on the IHSAA website for 2025 Spring Golf. Please check that you are on the list as a standalone or coop school. If you have any questions, please reach out to me via email. The Spring Golf Classifications will be approved by the Board of Control later this month with postseason sites and assignments coming after the start of competition.

In addition, the updated [2025 Regular Season Spring Golf Manual](#) is also posted.

Athletic Directors, as we head toward the competition season, we need schools willing to host sectional and district events later this spring. There is a golf site availability form on the IHSAA BOUND dashboard. Please fill it out as we look for hosts. Here is a direct link for the [Golf Site Availability](#) form.

A few other miscellaneous notes:

- Coaches, please be sure to enter your golf schedule into BOUND. Rosters should also be added as you finalize your squad members.
- Coaches, please be sure to enter all scores into BOUND upon completion of each meet/event. We use the results to help with postseason assignments.
- The online golf rules meeting is posted on the BOUND dashboard—all head coaches must view the meeting prior to April 4.
- The start of the practice season is March 17, and the first date of competition is March 31.
- We will release the Spring Golf State Tournament sites prior to the first day of competition.

We look forward to warmer weather.

Sincerely,
Chad Elsberry
