Tennis Memo #3

March 30, 2025

Good afternoon, Head Tennis Coaches & AD's –

Hope everyone is excited and ready for competitions this week. Below are a few updates heading into Monday.

1. Online Rules Meetings

Reminder that the 2025 tennis rules meeting is live through Bound and required to be completed by all head coaches for postseason eligibility. **Coaches have until this Friday, April 4 to view and receive credit.** Schools will be receiving individual notifications on Monday to ensure this is completed by the end of the week.

2. Tennis Host Sites

AD's & Head Coaches, please ensure you have completed the host availability form within Bound if you are able & willing to be a host site for postseason tennis. If you have adequate tennis facilities, we encourage you to be a host. Will begin the process of selecting host sites this week.

3. Postseason Format & Manual

Reminder that if you wish to opt out of the team portion (per manual, must have 6 eligible players for team), your school's AD must submit this request on school letterhead. This must be submitted prior to substate assignments being released the week of April 28. See all postseason information in our [Tennis Postseason Manual](#).

4. Tennis Classifications

Final tennis classifications are now posted [HERE](#). No added or discontinued coops will be accepted at this point unless they do not alter these final classifications.

5. Universal Tennis

Reminder that UTR is required for 1A to enter rosters and 2A to enter rosters and all results throughout the season. Bound is working to have information sync to eliminate double entry and will update everyone as we progress with this. Full details on UTR are on our [Tennis Page](#) of our website.

Looking forward to seeing results pour in during this first week of matches! Please do not hesitate to reach out with any questions or concerns you may have.
