Baseball Memo #3

April 16, 2025

Good morning, Head Baseball Coaches, AD's, & Asst. AD's –

Just have a couple quick updates as we approach the official start of the 2025 baseball season on May 5th.

1. 2025 Online Rules Meetings

We still have some coaches that have yet to complete the required online rules meeting through Bound. Coaches have until Monday, May 19 to view & receive credit for completing this. Whitney Schlicht will be reaching out to individual schools if this requirement has not been met as deadline approaches. AD's, ensure your directory is up to date as this is what's utilized in tracking head coach's completion of this requirement & communications throughout the season.

2. NFHS Baseball Questionnaire

You have been invited to participate in the **NFHS rules-writing process** by completing the annual **Baseball Rules Questionnaire**. This questionnaire allows a national sampling of coaches and registered officials to provide feedback, which will be considered by the **NFHS Baseball Rules Committee**.

Please note that the questionnaire will close on Tuesday, April 29th, 2025.

To participate, please follow the link below to the NFHS Questionnaire Menu, select your sport, and complete the rules questionnaire. You are not required to log in to access or complete the questionnaire. We appreciate your time and input. <https://www.nfhs.org/sports-resource-content/nfhs-sport-questionnaires>

3. Classifications

Please double check preliminary baseball classifications [HERE](#). They will be finalized in early May as the official start of the season approaches.

4. Line-Up Cards

The deadline for submitting the order form for these to be printed by our IHSAA office has passed and is now in the process of being printed as we speak. These will be sent out to schools as the first competition date of May 19 approaches. These are available on the [Baseball Page](#) of our website in [PDF](#) and [fillable PDF](#) format.

5. Postseason Manual

The [2025 Baseball Postseason Manual](#) is now available. As always, all baseball materials, including manuals, past memos, news posts, etc. can be found on our [Baseball Page](#).

Thanks, and do not hesitate to reach out with any questions as officially kick off the 2025 season on May 5.
