Baseball Postseason Memo

June 25, 2025

Good afternoon, Head Baseball Coaches & AD's –

1. Postseason Assignments

Below is a link with district and substate assignments and brackets for all classes of baseball.

[Baseball: 2025 Postseason Brackets | IHSAA](#)

2. Host Sites

If you are hosting at all throughout the baseball postseason, be sure to communicate with teams you are hosting to go over any logistics with your facility, parking, ticketing, etc. Be sure we all go through the IHSAA [Postseason Manual](#) as well regarding game procedures, etc.

2. Reporting Scores

All brackets are up on Bound and where the winning team will report their score, by entering results from their contest. Please do this immediately upon completion of each game as we progress through the postseason as we do have quick turnaround from each round and want to ensure there is time to address any hosting issues that could arise.

3. Umpire Assignments

All umpire assignments will be on DragonFly and AD's are able to access them as umpires accept contracts. If you have any questions, please email Whitney at: wschlicht@iahsaa.org

3. Weather Concerns

Must make every attempt to play games on dates scheduled. However, if the weather does not allow this to take place, it will be rescheduled to the next playable date. Be sure to be in communication with the IHSAA office if any changes are required.

4. Postseason Ticketing

All ticketing for IHSAA postseason baseball will again be through Home Town Ticketing (HTT). If you have any questions on any of that please do not hesitate to reach out to Chelsea Clark (cclark@iahsaa.org) here in our office. Below is a link to tickets as well as schedule for when tickets go live for each contest throughout the postseason.
