Officials Memo

July 8, 2025

Hello current and prospective IHSAA officials –

This summer message is to keep you on top of NFHS and IHSAA rules book updates for the start of the 2025-26 school year and beyond.

1. NFHS Digital

[NFHS recently announced the move](#) from its All-Access platform to NFHS Digital which is a mobile app “designed to provide officials, coaches and educators with instant access to its rules publications library.”

NFHS Digital went live on July 1 for both [Apple \(iOS\)](#) and [Android \(Google\)](#) devices and is the new home for rules books, case books, officials manuals, handbooks, and more. The app was developed with NFHS and IHSAA partner RefReps and has publications across 18 sports that can be accessed anywhere at any time.

We recommend logging into NFHS Digital with the same email you currently use at DragonFly COS.

2. Rules Book Transition

With the arrival of [NFHS Digital](#), the IHSAA will use 2025-26 as the transition year for the provided book process. What this new arrangement means:

- **2025-26:** Mailing year for football and wrestling rules books. New officials in all sports will receive rules and case books, as usual.
- **2026-27:** IHSAA will provide registered officials with subscriptions for books via NFHS Digital only. No mailings or physical copies will come from our office after 2025-26.
- Physical books are always [available to order through NFHS.com](#).

3. Order Form Online Payment

Should you like to order patches/emblems through our [Officials Order Form](#) online, we now have the ability to bill you through your account on DragonFly so you can pay electronically.

This will become the default setting for payment for registered officials. If you prefer to pay via physical check, you may still do so – please send c/o Whitney Schlicht.

Thank you!
