

IHSAA Bowling Memo – November 11, 2025

Hello IHSAA Bowling Schools,

We are reaching out as the season is just around the corner. The preliminary classifications ([linked here](#)) are on the IHSAA website. Please review them as we look to finalize the participating schools. If you see any discrepancies, please email me as soon as possible. The classifications become final at the end of the first week of the season.

The Bowling 2025-2026 Rules Meeting has been posted on BOUND for several weeks. Please make sure head coaches have completed the meeting. In addition, the regular season IHSAA Bowling Manual with stat reporting dates and the postseason schedule is on the IHSAA website.

New this year is the allowance of ONE Scrimmage after the first legal practice date. The start time of the scrimmage should be determined by competing schools and availability of the host bowling facility. A maximum of four schools may participate in the scrimmage. Scores should not be entered into BOUND. The format may be traditional regular season or baker only or individual format.

IHSAA State Qualifying Meets: We are seeking host schools/facilities for the SQMs – please fill out your availability on the IHSAA BOUND dashboard.

Have a great start to the boys' bowling season.

Thanks,
Chad
