Iowa High School Athletic Association
PO Box 10 - Boone, Iowa 50036 - (515) 432-2011

With the passing of Senate File 274, the IGHSAU + IHSAA would like to provide guidance regarding postseason cash ticket sales.

How do schools report cash sales?

- If your school is using the Bound/HomeTown Ticketing point-of-sale device, there is an option to record cash sales. When cash sales are entered through the device, a report will automatically be generated for the IGHSAU/IHSAA, and no further action is required from the school.
- If recording cash sales through the Bound/HomeTown Ticketing point-of-sale device is not an option for your school, you will need to complete the financial report and email it to us following your event.

How do schools submit cash?

- No check needs to be sent following your event.
- The IGHSAU/IHSAA will adjust your host allowance payment accordingly. If cash ticket sales exceed the amount of your host allowance, the IGHSAU/IHSAA will invoice your school for the difference.

If you have any questions or concerns, please do not hesitate to reach out!
